Если в первой части предложения глагол стоит в утвердительной форме, то вторая часть содержит глагол в отрицательной. И наоборот.

Если в первой части есть глаголы to be, to have, will/shall, can, could, would, must, то **второй** части используется тот же самый глагол.

Если в первой части предложения нет данных глаголов. То во второй части предложения используется do/does/did/didn't

В tags подлежащее выражено только местоимением.
