

You are what you eat.

Project 1
Zykov Alexandr

healthy and junk food.

Now I will submit the list of junk food.

- ▣ First place win - chips

the second place at fast food.

**On the third place mayonnaise
and ketchup settled down.**

THE FOURTH PLACE AT ENERGY DRINKS

**And the fifth place at
chocolate.**

Now we will talk about healthy food

**On the first place fruit settles
down.**

second place berry

the third place at garlic with onions

on the fourth place milk

and the fifth place at fish

I consider if people avoid junk food. And is useful, then they will be more healthy, and strong.

The End
