Biography

Evgenia Kanaeva was born on 2 April 1990 in Omsk. Her mother, Svetlana Kanaeva — the master of sports on rhythmic gymnastics. But in the sport of six-year-old girl brought not her, but the grandmother, who had to choose between gymnastics and figure skating.

At first Evgenia did not show outstanding results, but differed much effort. 2002 – for Zhenya was a turning point. It was part of a group of young Omsk athletes invited to Moscow. In 2003, Eugene wins his first international tournament. At the club world Cup in Tokyo Junior athlete stating about yourself. In the national team of Russia – a huge competition. The number of strong, talented women through the roof. The year 2007 is decisive in the career of Eugene.

She becomes world champion in this kind of exercise, winning first prize at adult international competitions

At the Olympics Evgenia was the most difficult program. She won gold in the all-around. While Kanaeva was the youngest participant of the competitions as. In London in 2012, Kanaeva is coming to an unqualified favorite. On the carpet, she again out of competition. Eugene infallibly performs all the exercises and gets a well-deserved second gold medal.

Evgenia Kanaeva and her coach Vera efremovna , Irina Viner

She is very kind, responsive ,
purposeful and intelligent girl.

Irina Viner, the coach of the
national team of Russia in
rhythmic gymnastics:

- Zhenya is a very
hardworking girl. It will not
be thrown out of the room if
she can't do something. But
she's talented. But with the
talent and great work make
people big.

**Eugene is not only a good gymnast, but
also a wonderful person.**

Sports records and achievements of Evgenia Kanaeva.
