вести дела. Убей её

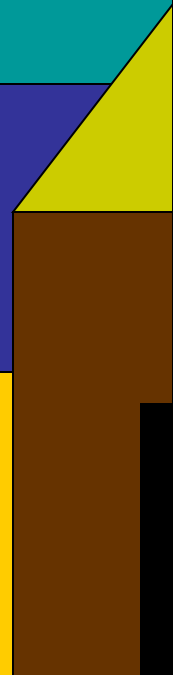

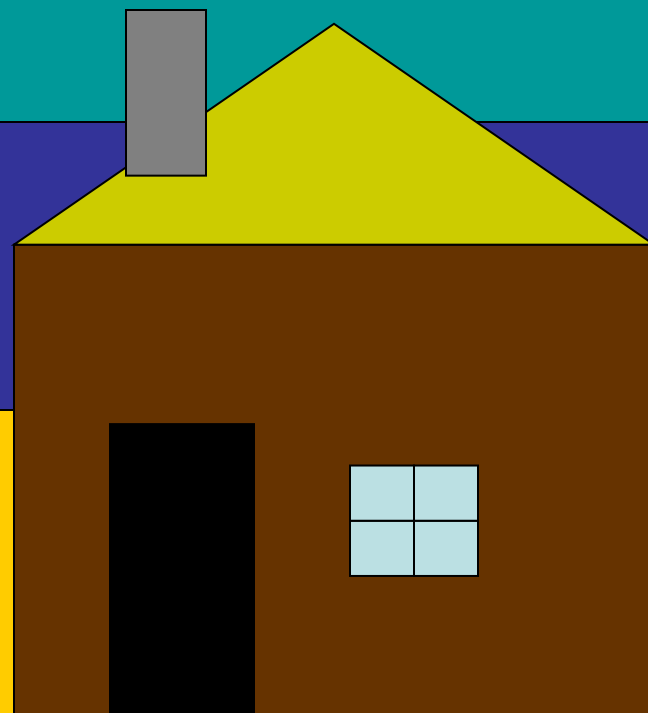

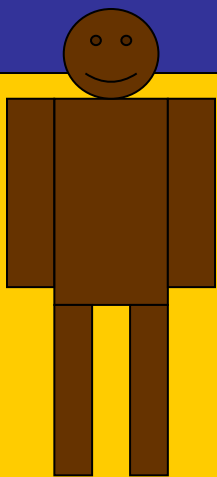

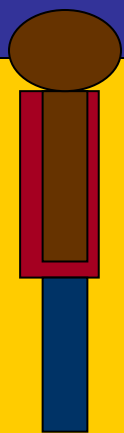

1. Я согласен
2. Ты что охренел совсем!  
Предлагаешь мне  
убийство!

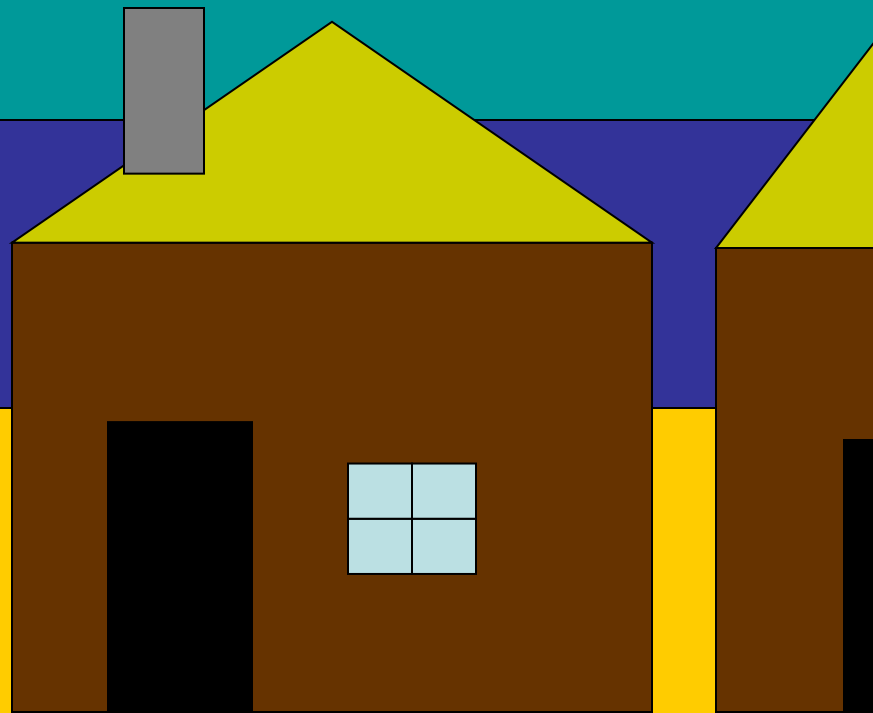

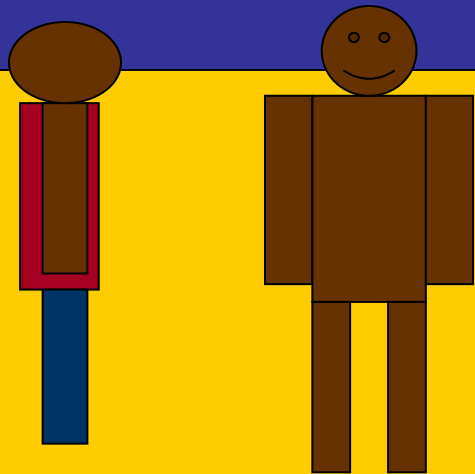

Да забудь я пошутил  
просто! Давай

его тоже нет

закон есть закон. Ты  
заключил сделку,  
потратил бюджетные  
деньги, а хлеба нет.

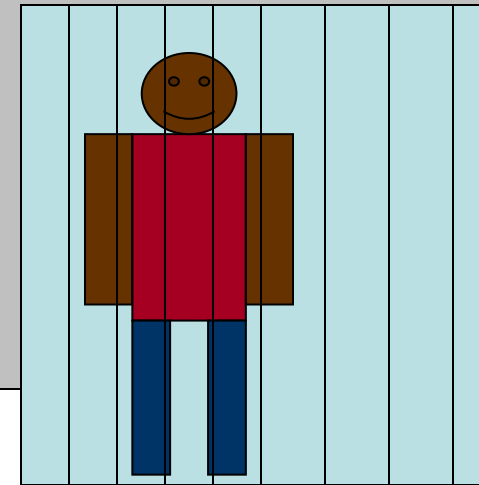

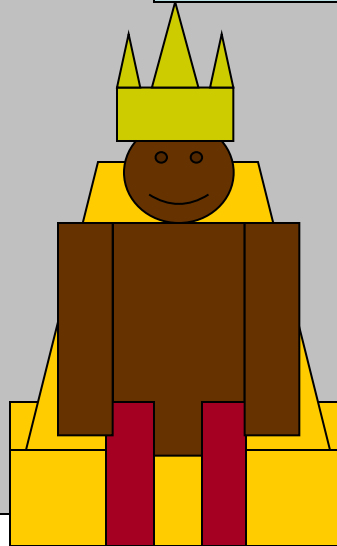

Я понял, что вы меня не  
выпустите, но я просто  
хочу, чтобы вы верили  
мне!

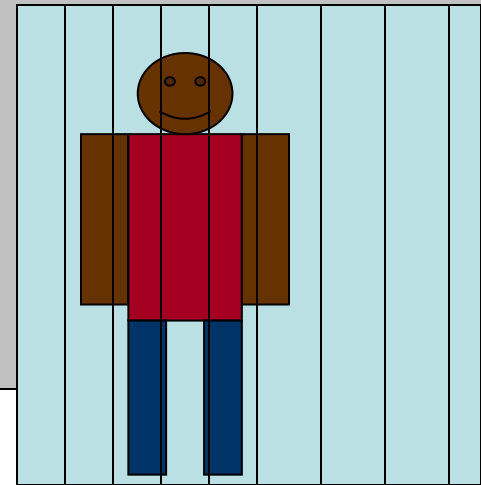

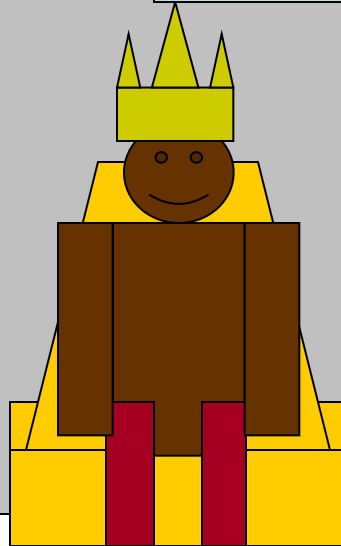

Я УЖЕ СО ВСЕМ  
РАЗОБРАЛСЯ! Виновные  
понесли наказание.

Виновен либо кучер либо  
управляющий деревней, и  
оба они на свободе. По-  
вашему это называется  
«разобрался»?

Послушай, по законы  
виноваты все трое. Но по-  
настоящему виновен  
только один, и я верю, что  
это не ты.
