

# Defining relative clauses

***Who / which / that***

# who

I usually speak to the woman. ~~She~~ owns the hotel.

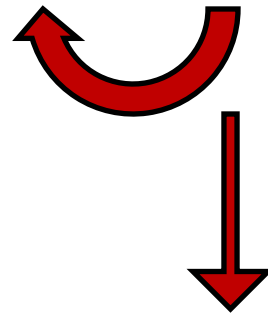

I usually speak to the woman **who** owns the hotel.

Use: people

# which

I have got a lovely dog. ✕ has got white fur.

I have got a lovely dog **which** has got white fur.

**Use: things/animals**

# That

She's the teacher **who** came to our school last week.

She's the teacher **that** came to our school last week.

This is the house **which** belongs to my friend.

This is the house **that** belongs to my friend.

**Use: That can replace who or which in defining relative clauses and in an informal style.**
