My friend's letter.

Hi, I'm Olga. I have received the letter from my friend.

My friend lives in Australia . Australia is the world's largest island and smallest continent. The continent is south of the Equator. Most of the continent is sunny most of the year. Its population is very small (only 0.3% of the world's population) for such a huge country.

Australia

Much of the land is a useless desert. Great Sandy and Great Victoria cover nearly 2 000 000 square kilometers.

Severe draughts, floods and cyclones happen very often on the continent.

Answer the questions:

- **Where is Australia situated?**
- **What is the population of Australia?**
- **What have you learnt about the climate of Australia?**
- **What have you learnt about landscapes of the continent?**

Pictures of Australia.

I'm writing to my friend.

Dear Judy,

Hello! How are you? How is your sister? My apologies having waiting so long for my letter. I had so much work with my studying.

I'm writing to my friend.

I am going to visit Australia to study the language. I would like to come in summer and to visit some sights, because I want to study culture and traditions. And I worry, because I know so little about life-style in Australia and it will be difficult for me to adapt.

I'm writing to my friend.

Could you help me with my problems. What do you think about it? What can you advice? I hope to hear from you soon.

Your friend,
Olga

My friend is writing to me.

Hi, Olga

I got your letter some days ago. It's very pleasant to hear from you. I want to invite you to come and stay with me this summer. Can you come from 24th July to 15th August?

My friend is writing to me.

The first week we'll visit Sydney.
You'll be able to meet my friends
and to see the
city. I'll show you
my favorite places
and sightseeing
in the city.

We'll go up the
skyscraper.
You can see
everything of
Sydney from
there. And we
can visit the
Opera house.

We're going to stay there for two weeks until 12th August and then come back to Sydney. Can you come? Please write and tell me. I'm looking forward to getting your letter.
