

Local confectioners believe that the shape of the product, the flavour and filling can be anything. But the basis for chocolate - only real cocoa products.

The most famous chocolate center is Bruges, which is also called "Home of chocolate". There are museum of chocolate and many highly specialized chocolate restaurants where all dishes in menu is prepared by or with the addition of this magical ingredient

Festivals "Chocolate life" are organised every year, during which famous Bruges chefs doing their best works to impress guests with extravagant ideas and experiment with chocolate.

#### Chocolate and Switzerland

# Swiss is motherland of milk chocolate

In Swiss any tourist can visit "World Of Sweets": to make a trip to the chocolate factory, to see the production of chocolate wonders, and even learn how to handle and

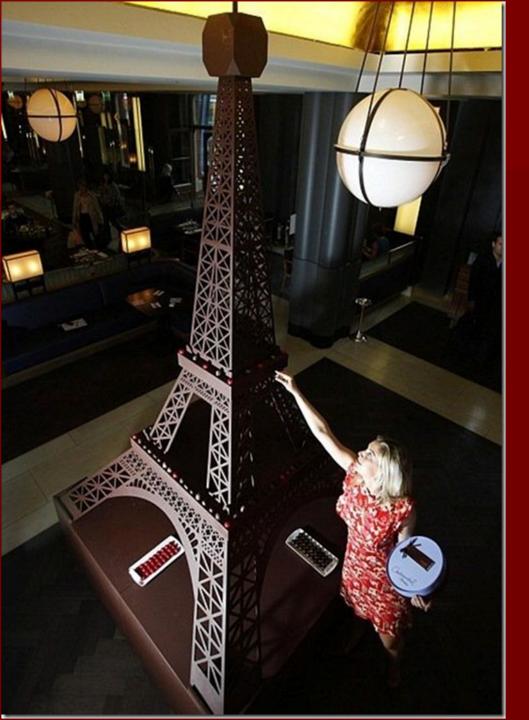

#### Chocolate and France

For 15 years, each year Paris becomes the "Salon du Chocolat." On this day in the center of France organized the world's best tasting sweet desserts, sauces, chocolates, sweets, hot and cold chocolate dishes, chocolate and cocoa beans.

As part of this annual festival is organised an incredible, unusual fashion show. The models demonstrate the trendy, edible dresses, women's hats, bags, made of real chocolate! Most of the dresses are shown as real works of art!

### Chocolate Stamps from France

Marmalade translated from French as "Mary is ill." Most often, jam made from fruit juice.
