

A Project

**"An Ideal Welfare
State"**

A Welfare State has three basic principles:

- Liberty
- Equality and
- Love

It means:

- All people are free

- All people are equal

- All people have the right to live in love

A Welfare state Operates in

Social
sphere

Security
sphere

Health care
sphere

All people

- Have allowances
- Are under protection
- Can get free medical service

The Government and

The Government
and

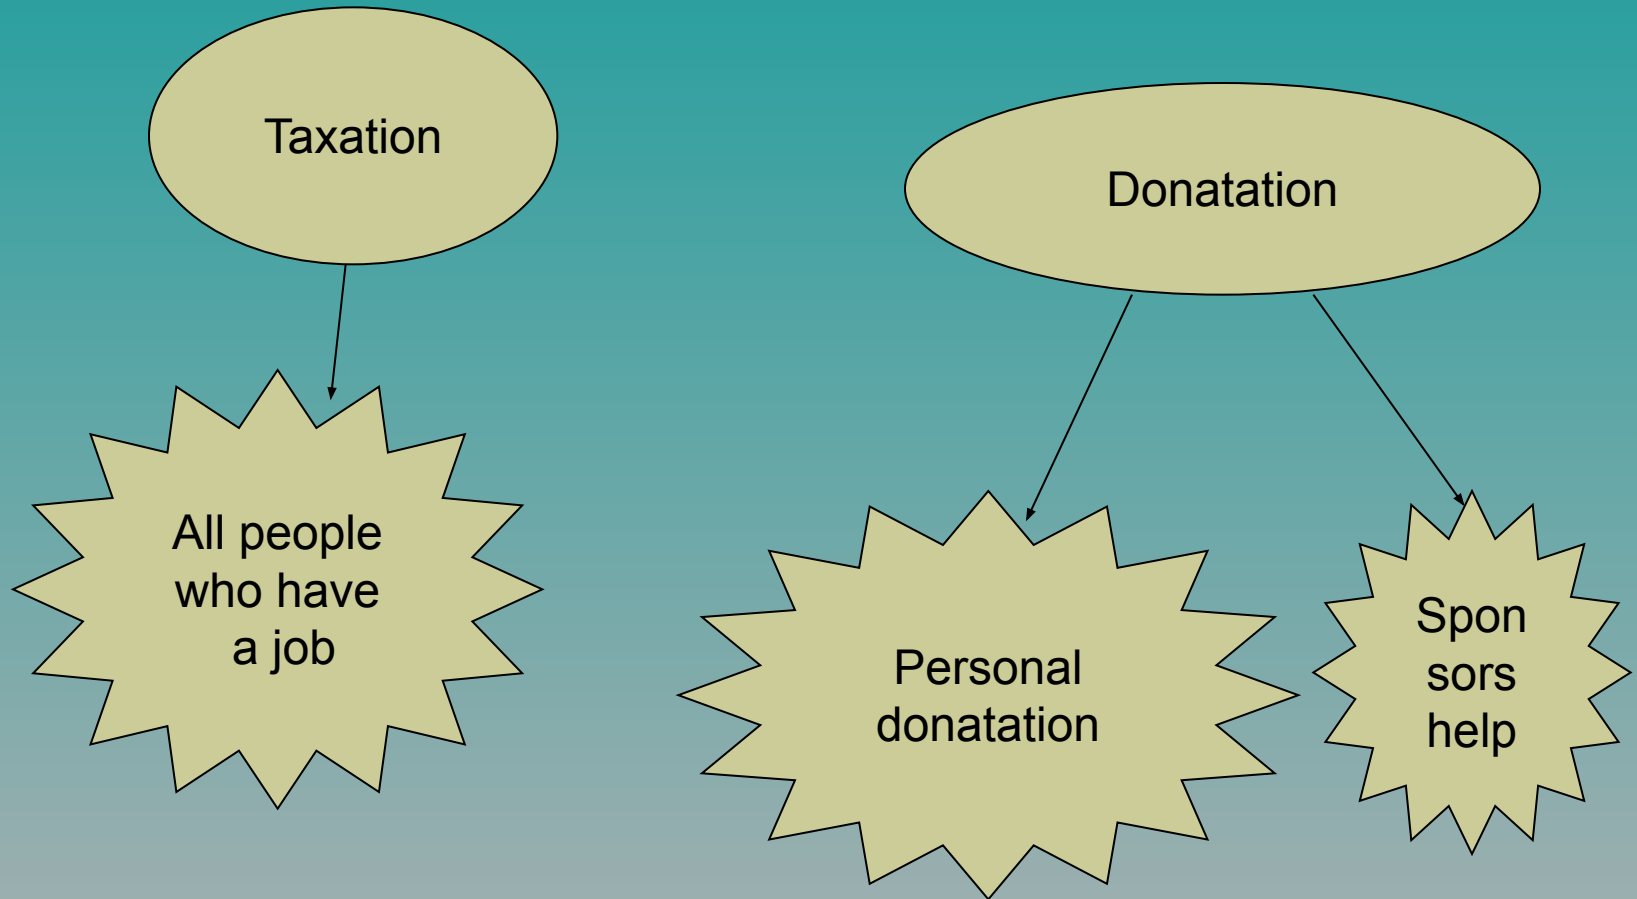

The Local Administration

Are responsible for it

```
graph BT; A[Are responsible for it] --> B[The Government and]; A --> C[The Local Administration];
```

The diagram consists of three yellow rectangular boxes with black outlines. At the top, a title 'The Government and' is centered. Below it, a horizontal line spans the width of the slide. In the middle section, there are two boxes: 'The Government and' on the left and 'The Local Administration' on the right. At the bottom, a wider box contains the text 'Are responsible for it'. Two arrows originate from the top edge of this bottom box: one points diagonally up and to the left towards the bottom of the 'The Government and' box, and the other points diagonally up and to the right towards the bottom of the 'The Local Administration' box.
