

A Project

"An Ideal Welfare
State"

A Welfare State has three basic principles:

- Liberty
- Equality and
- Love

It means:

- All people are free

- All people are equal

- All people have the right to live in love

A Welfare state Operates in

Social
sphere

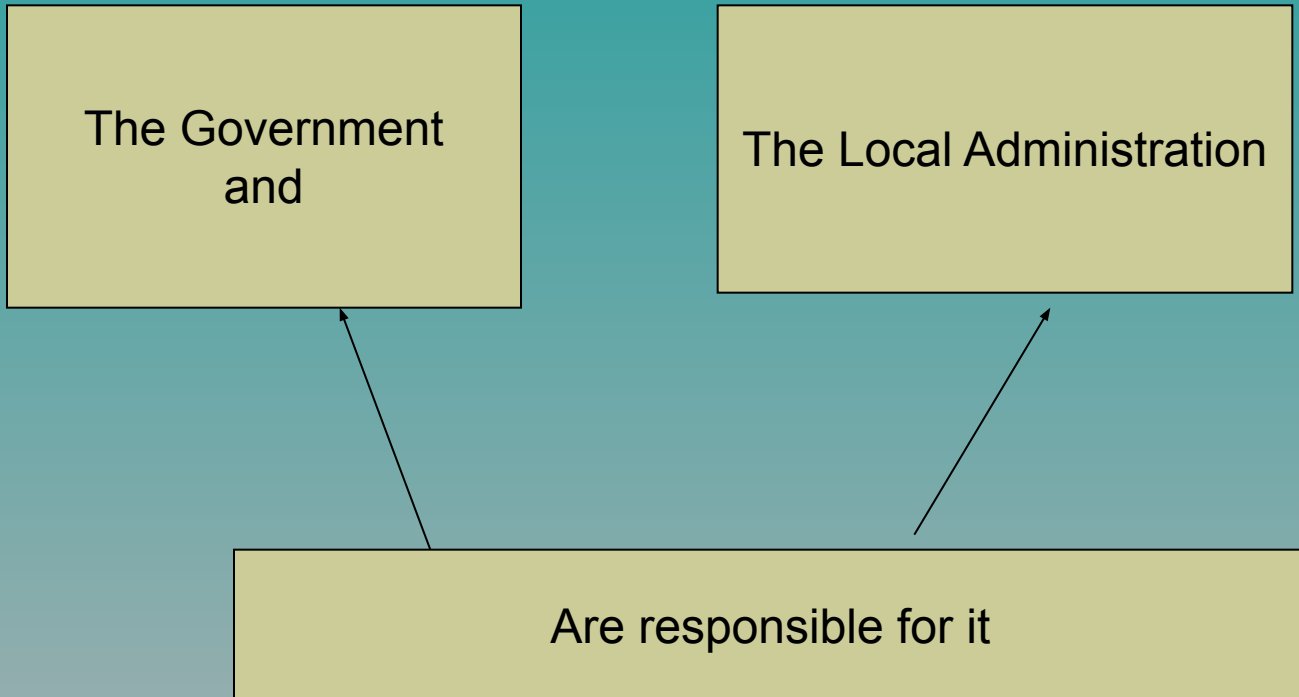

Security
sphere

Health care
sphere

All people

- Have allowances
- Are under protection
- Can get free medical service

The Government and

Sources of provision:
