My ambitions

*As for me my long-term ambition
is to be a professional comic*

I want to specialize on manga because I adore draw it and I think it is very original.

MY SKILLS:

- Team-working skills
- IT skills

TEAM-WORKING SKILLS

Belonging to a group is necessary for comics' artists because drawing comics is always team work

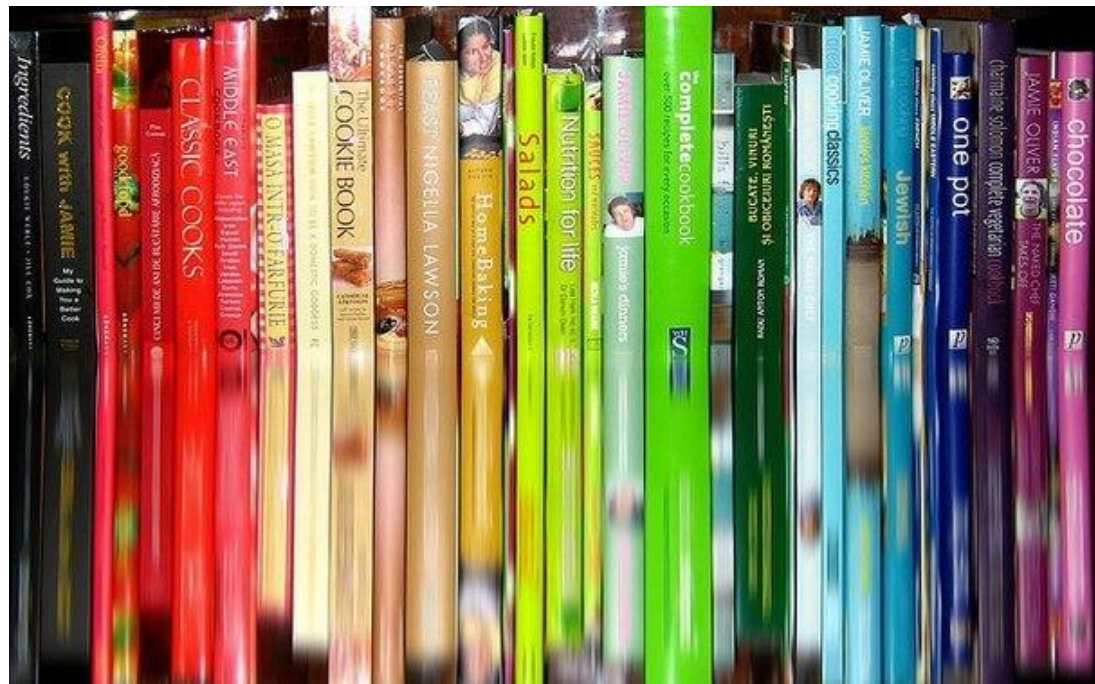

IT skills

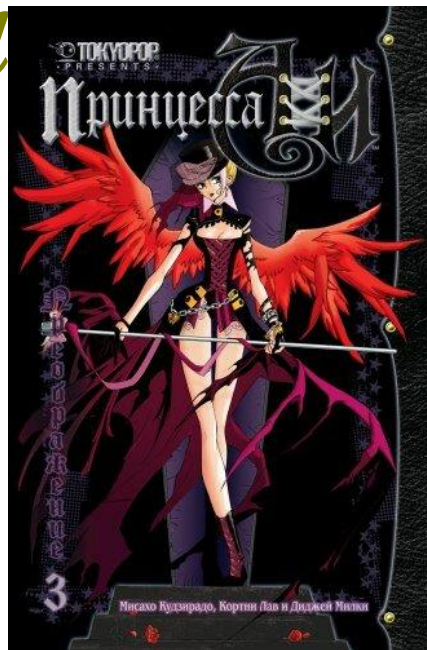

Computers are used almost everywhere.
You should be able to write a letter,
presentation or report, use the Internet to find
information.

My main qualities as a worker I am creative, well-organized and I have ability to learn

*My experience
I always take part in different drawing
competitions. Besides, I read
a lot of books of manga
and their story lines were
magnificent and
very exiting.*

Here some of my pictures:

I need to...

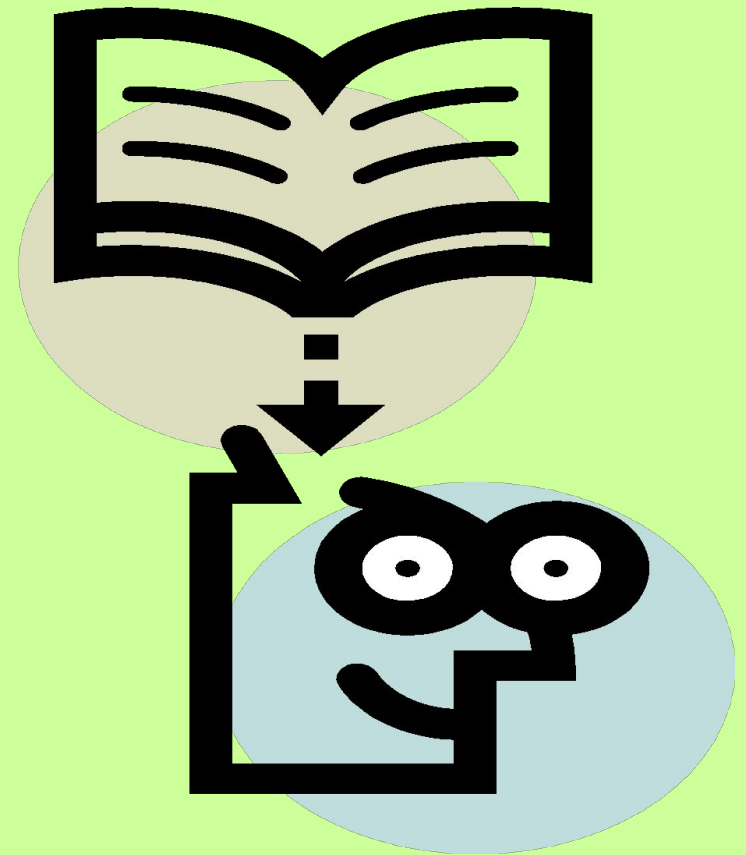

I am going to get new skills:

- ❖ time management skills
- ❖ skills in problem solving

Time management skills

*It means scheduling activities
from the most to
least important.*

**SKILLS IN PROBLEM
SOLVING
THESE SKILLS ARE VERY
IMPORTANT BECAUSE
YOU USE YOUR
INITIATIVE
TO UNDERSTAND
PROBLEMS
FIND THE ANSWER**

We should improve our key
skills and qualities to
achieve something
in future career.

Good luck!!!

THANKS!
