

Alzheimer's Disease

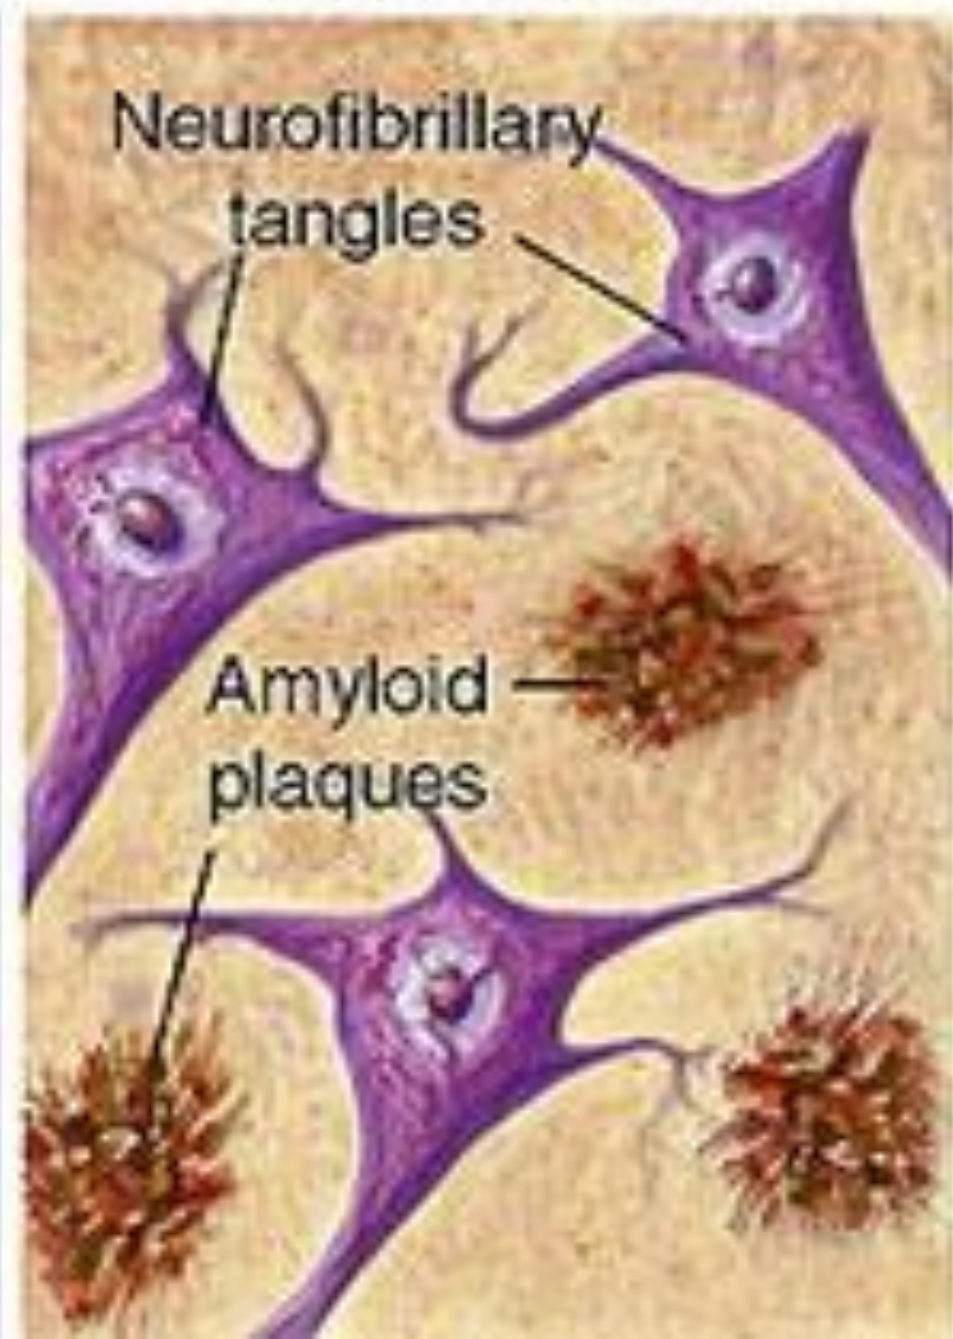

Sabina Tukhvatulina

Normal

Alzheimer's

The background is a light blue grid of interlocking puzzle pieces. A large, semi-transparent blue puzzle piece in the shape of a human head is centered in the image. To the left of the head, a single puzzle piece is missing, revealing a darker blue puzzle piece underneath. The text "Risk Factors" is written in a bold, italicized, blue font across the middle of the image, partially overlapping the head puzzle piece.

Risk Factors

High Blood Pressure

High Cholesterol Levels

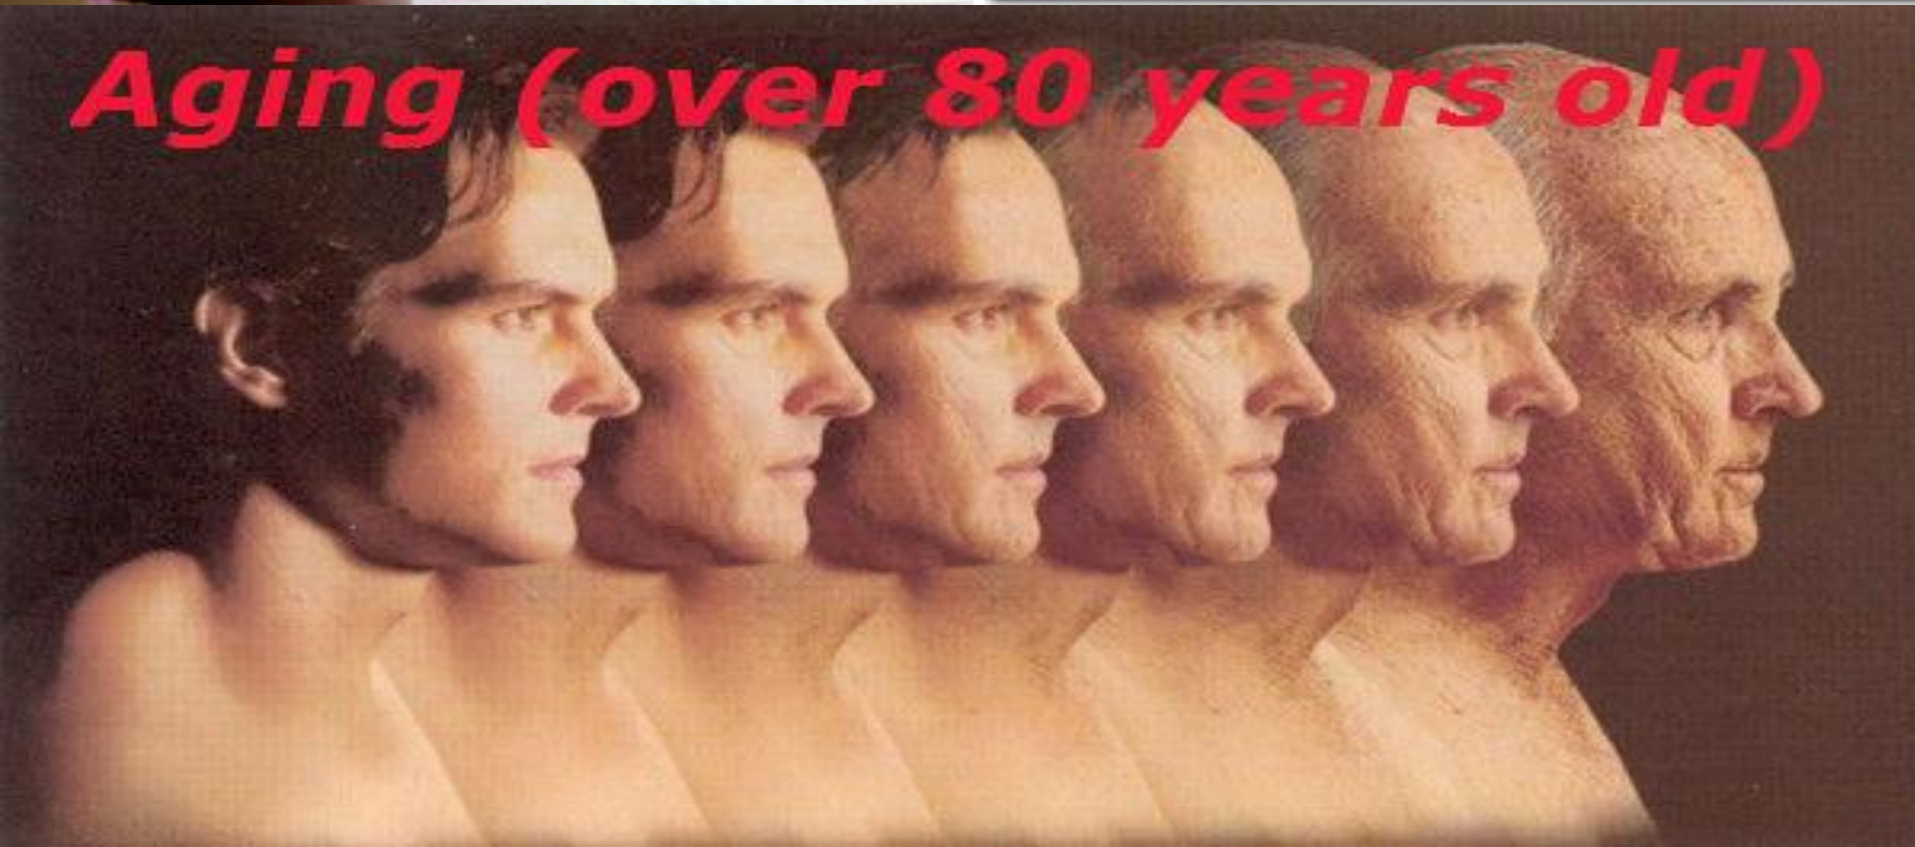

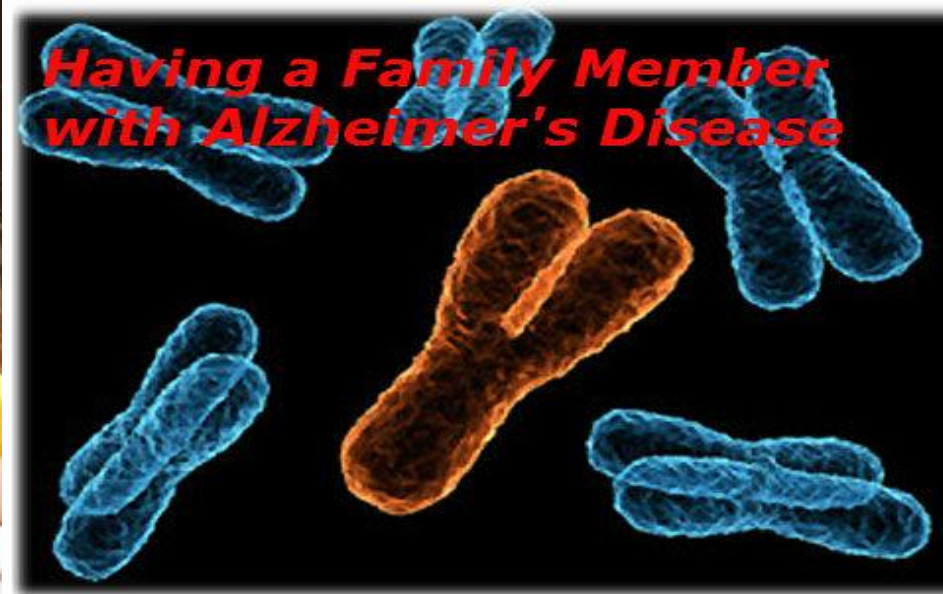

Smoking

Diabetes Mellitus

The background of the slide is a light blue grid of interlocking puzzle pieces. A single, larger puzzle piece in the center is a darker shade of blue and features a stylized profile of a human head facing left. The head is composed of several puzzle pieces, with a large, irregularly shaped hole in the center of the face. The text "Characteristics of Alzheimer's Disease" is overlaid on the image in a bold, blue, sans-serif font, positioned to the left of the head puzzle piece.

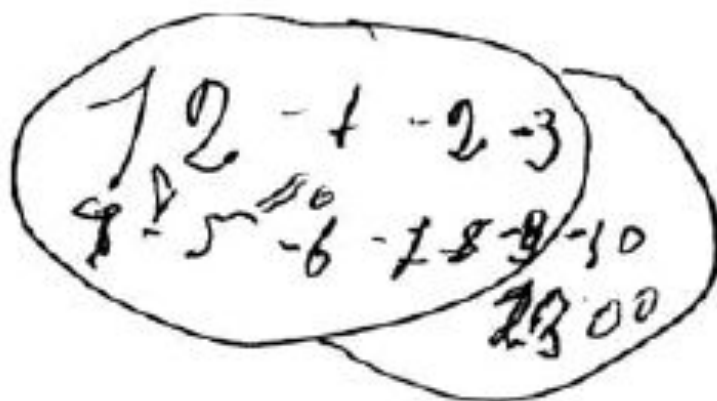

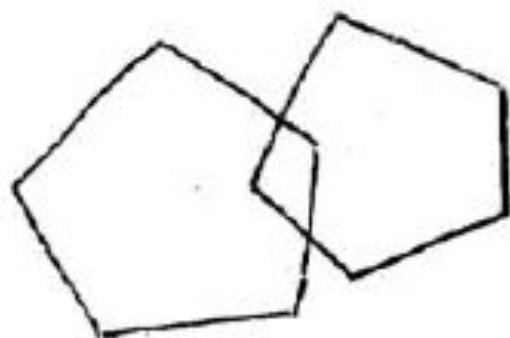

Characteristics of Alzheimer's Disease

**Changes in personality
and behavior**

Difficulty with language

Difficulty with skilled movements

**Difficulty with recognizing
familiar faces and places**

Difficulty with “executive” functions

What is the Treatment of Alzheimer's Disease?

**There are no drugs yet that
can stop Alzheimer's...**

...but there is hope

An elderly couple is shown outdoors in a sunny, park-like setting. The man, on the left, is balding with some grey hair on the sides, wearing a light-colored patterned sweater over a grey collared shirt and a red bow tie. He is blowing a stream of bubbles. The woman, on the right, has short, curly grey hair and is wearing a blue patterned sweater. She is looking towards the camera with a slight smile. The background is a soft-focus view of green trees and foliage. A large, bold, red text overlay is centered across the middle of the image.

Thank you for your attention!
