**Difficulty with “executive” functions**

# **What is the Treatment of Alzheimer's Disease?**

**There are no drugs yet that  
can stop Alzheimer's...**

**...but there is hope**

An elderly couple is shown outdoors, blowing bubbles. The man on the left is wearing a light-colored sweater over a blue collared shirt and a red bow tie. The woman on the right is wearing a blue patterned sweater. They are both looking towards the camera with slight smiles. The background is a bright, out-of-focus outdoor setting with yellow and green foliage. The text "Thank you for your attention!" is overlaid in red across the center of the image.

**Thank you for your attention!**
