DAY!**

Arbor Day

A group of children, mostly young boys, are participating in an Arbor Day activity. They are wearing matching green t-shirts and blue baseball caps. Some are using shovels to dig holes in the ground, while others are holding small trees. The scene is outdoors, with a chain-link fence in the background and a line of trees in the distance. The overall atmosphere is one of active participation and environmental care.

Planting the seeds of tomorrow today.
