# Animal Farm

- **Animal Farm is an allegorical novel by George Orwell, published in England on 17 August 1945. According to Orwell, the book reflects events leading up to the Russian Revolution of 1917 and then on into the Stalin era in the Soviet Union.**

- The novel shows the corruption of the government, rebellions and fight for the «equality» of all people through the animal beings. In this tale, Orwell wanted to open eyes of world`s society. He showed us that a revolution, once it has abandoned honesty, truth and clarity, results in oppression, cruelty and exploitation. The power can and will be abused.

# Final Thoughts

- Suffered a tubercular hemorrhage (lung bleed)
- Died in 1950 at age of 46
- "Writing a book is a long, exhausting struggle, like a long bout of some painful illness. One would never undertake such a thing if one were not driven by some demon whom one can neither resist or understand."
