- ❖ For example
- ❖ In conclusion

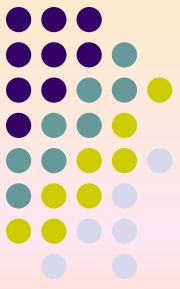

## What is family?

Family –is a small group, whose members are connected community of life, moral and legal responsibility.

# What is career?

Career – is promotion on a service ladder and individual change attitudes and behavior

# Career or Family???

A lot of people are faced with a choice: career or family. We will try in this presentation to deal with this issue. In the following slides, we consider the pros and cons of choosing between them.

# Career. Pros

- ❖ Money
- ❖ Scholarship
- ❖ Position in society
- ❖ Competitiveness
- ❖ Development
- ❖ Independence
- ❖ Work is a pleasure, such as writing poetry poet and music composer.

# Career. Cons

- ❖ Stress
- ❖ Have not free time
- ❖ Do not pay attention to the relatives
- ❖ Have a lot of problems

## **Family. Pros**

**Spiritual development**

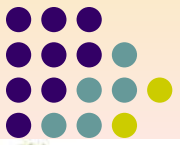

**Have a lot of time**

**The opportunity see your relatives**

**You can see your family whenever  
you wish**

**You have a time for your children.**

# Family. Cons

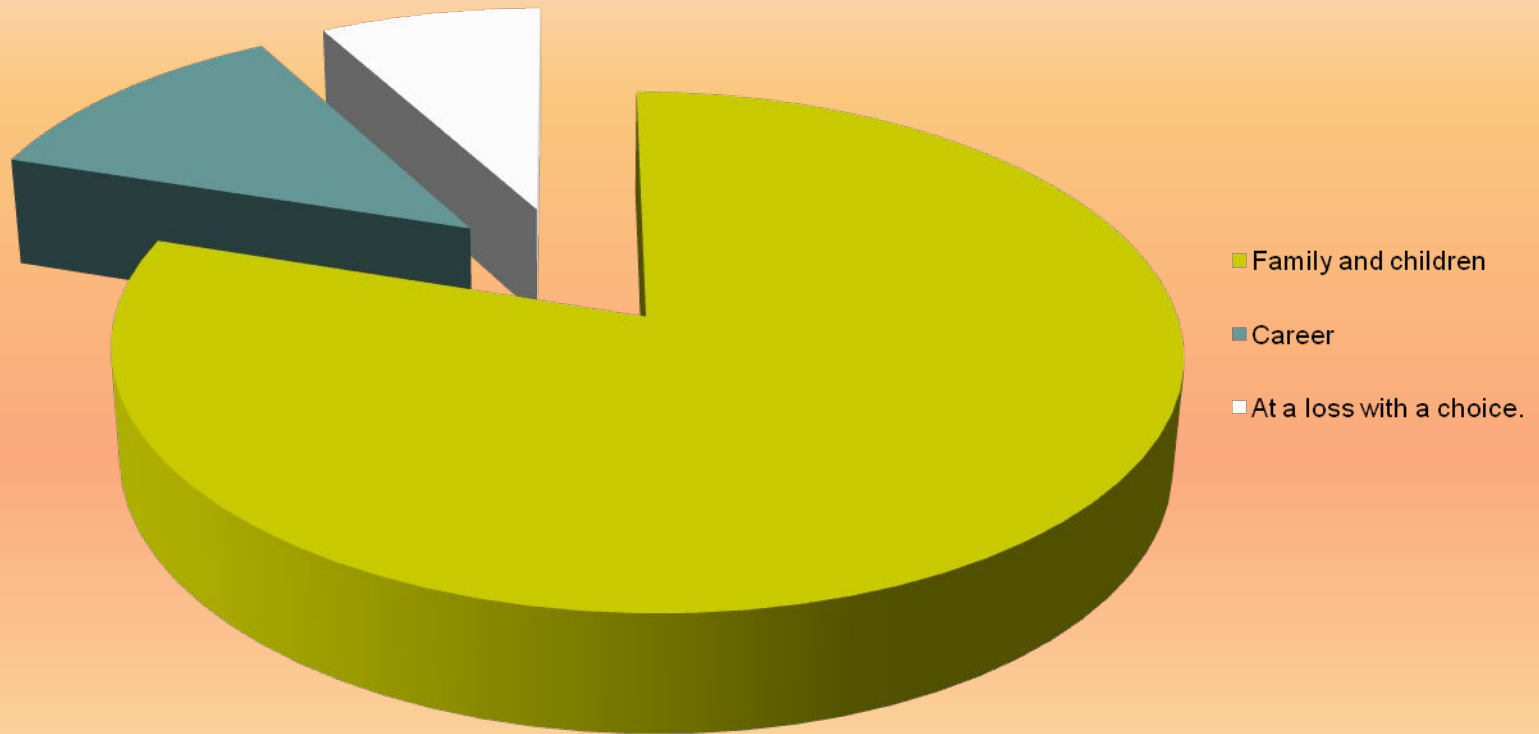

- ❖ Problems in home care
- ❖ Have not time

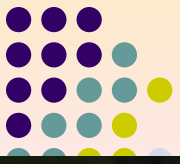

# Statistic

According to sociological surveys woman choose, %

## For example

Angelina Jolie is a famous actress. She works and earns.

Also Angelina is good mom. She said: I'm not one of those moms who read notation children. I'm very fond of them.

She have 6 children

## In conclusion

The ideal is to find the Golden mean: to the extent possible in the morning with pleasure to get up for work, and after work with no less pleasure to go home. But life is a difficult thing, and it does not always work the way we want... But then we have something to aspire to!
