The snowflakes are scattered across the frame, some appearing larger and more detailed than others. The word "CHRISTMAS" is prominently displayed in the center in a bold, red, sans-serif font with a white outline. The overall aesthetic is clean and modern, with a subtle bokeh effect of small white and blue dots scattered throughout the background.

CHRISTMAS

***It's Christmas! Merry Christmas!
Yes, it's merry, merry Christmas,
it's time for hanging stockings,
It's time for riding sleighs,
It's time for jolly greeting,
Snow and holly, overeating,
Oh, I love you
merry Christmas,
You're the best of holidays.***

Christmas comes on the 25th of December. Due to Queen Victoria and her husband Prince Albert the United Kingdom started celebrating what we know as “traditional British Christmas”. Before Queen Victoria British Christmas was based on old pagan traditions and was mainly for adults.

Christmas Tree

They say the first Christmas tree appeared in Germany in 1521. And it was Prince Albert who brought it to Britain.

In 1841 Queen Victoria and Prince Albert had a lighted tree at Windsor Castle.

THE CENTRAL DECORATION AT HOME STILL REMAINS THE CHRISTMAS TREE.
