

ENGLISH IN OUR LIFE

Виконав студент 33-Е гр.

Висоцький Г.

English is a world language. It is the language of progressive science and technology, trade and cultural relations, commerce and business. It is the universal language of International aviation, shipping and sports. It is also the major language of diplomacy.

Hundreds and hundreds of books, magazines and newspapers are printed in English. Half of the world's scientific literature is written in English. English is spoken by more than 350 million people.

Hundreds and hundreds of books, magazines and newspapers are printed in English and read all over the world. Half of the world's scientific literature is written in English. English is spoken by more than 350 million people.

It is the official language of the United Kingdom of Great Britain and Northern Ireland, of the United States of America, of Australia and New Zealand.

Besides, millions of people study and use English as a foreign language. In our country English is very popular.

**It is studied
at universities.
Learning a
foreign language
process takes
a long time.**

**colleges and
universities.
Learning a
foreign language
process takes
a long time.**

**It is studied at schools (sometimes even at nursery schools), colleges and universities.
Learning a foreign language is not an easy thing. It is a long and slow process that takes a lot of time and patience.**

**But to know English today is absolutely necessary for every
educat**

**But to know English today is
absolutely necessary for every
educated person, for every good
specialist.**

**. I want
interest**

en

**. I want to know foreign languages
because I have always been
interested in foreign countries,
their cultures and peoples.**

The End !!!
