

Earth Day

- Earth Day is an annual day on which events are held worldwide to demonstrate support for environmental protection. Earth Day is observed on April 22 each year.

- The April 22 date was designated as International Mother Earth Day The April 22 date was designated as International Mother Earth Day by a consensus resolution adopted by the United Nations in 2009

- Earth Day is now coordinated globally by the Earth Day Network, and is celebrated in more than 192 countries every year.

- Joyful joyful we adore our Earth in all its wonderment

Simple gifts of nature that all join into a paradise

Now we must resolve to protect her

Show her our love throughout all time

With our gentle hand and touch

We make our home a newborn world

Now we must resolve to protect her

Show her our love throughout all time

With our gentle hand and touch

We make our home a newborn world
