Canada's Education Systems

Quebec

Alberta
British Columbia
Manitoba
Newfoundland and Labrador
Northwest Territories

New Brunswick
Prince Edward Island
Saskatchewan

Nova Scotia

- 1 PTC - Pre-work Training Certificate (7 years after Secondary II)
- 2 TCST - Training Certificate for a Semi-skilled Trade (1 year after Secondary II)
- 3 DVS - Diploma of Vocational Studies (60% to 100 hrs. depending on the program)
- 4 AVS - Attainment of Vocational Specialization (60% to 110 hrs. depending on the program)
- 5 Selected institutions in Alberta, British Columbia, Ontario and Prince Edward Island offer applied degrees.
- 6 In Prince Edward Island, secondary education is divided into junior high (3 years) and senior high (3 years).
- 7 The territories have no degree-granting institutions. Some degrees are available through partnerships. Students may also access degrees directly from institutions outside the territories.

Notes:

All colleges and universities offer certificate programs of variable length. Continuing and adult education programs, while not shown on this chart, may be offered at all levels of instruction.

Legend:

- College Education
- University Education
- Apprenticeship - Vocational & Technical Training
- To the job market
- Typical pathway
- Alternate pathway
