

Cell phone and its influence on teens.

We are glad to present here our project which is called Cell phones and their influence on teens. It is a very important problem nowadays because there is no need to prove a fact that mobile phones are very popular today. However, the invention of cell phones hasn't been always positive.

*The project is done by: Kirill
Borisov,
Marina Pavlovskaya,
Karolina Ferents .*

AIM:

to make a survey on the influence of cell phones in teens life.
