Form 11-A  
School 5  
Uzhhorod  
Teacher: N. G. Savko*

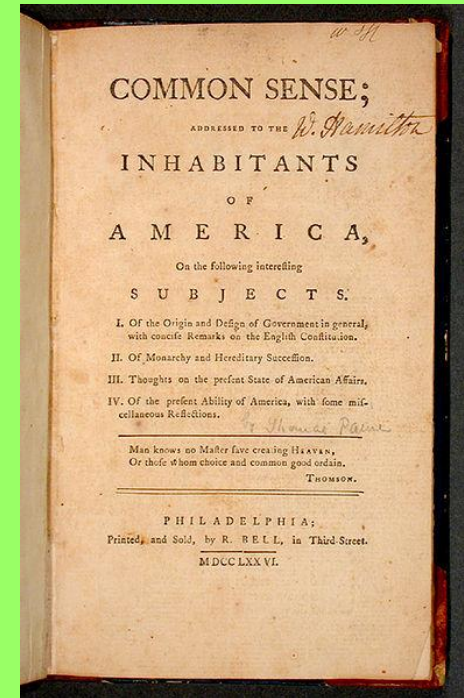

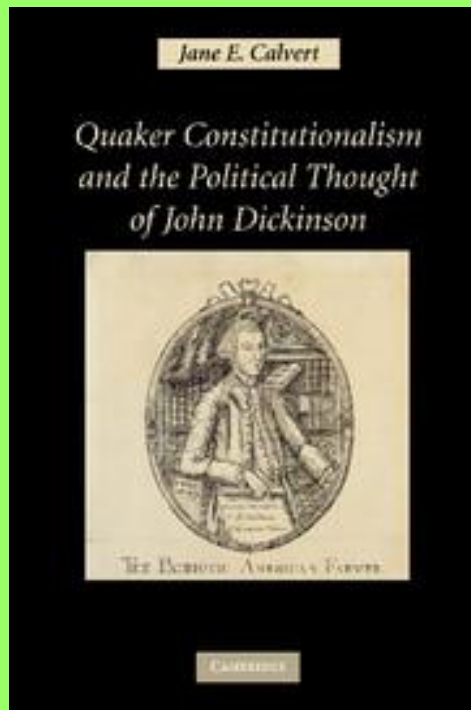

# The main ideas of the Age of Reason

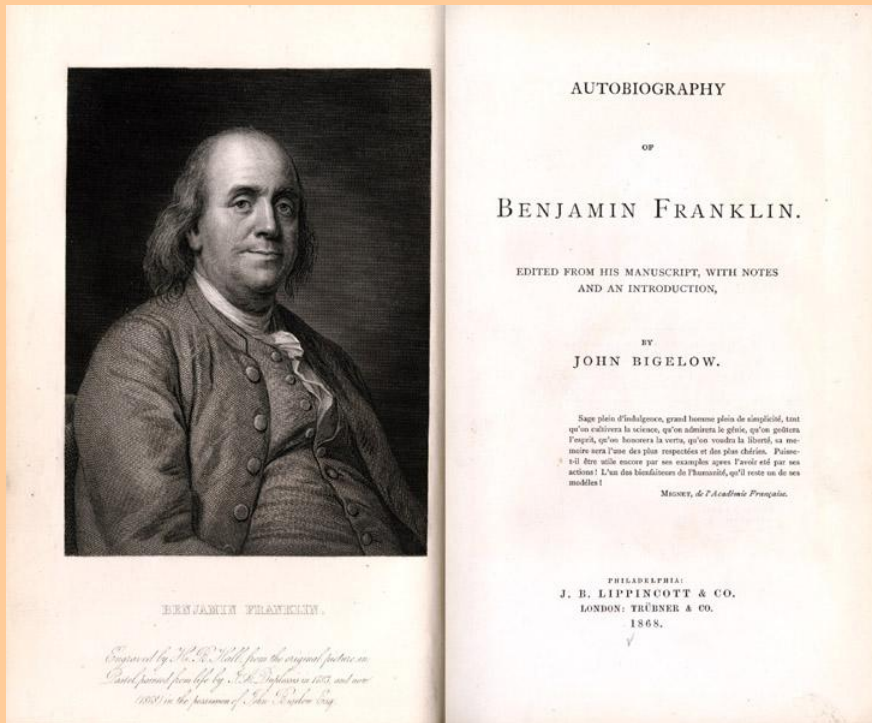

# The outstanding writers and their works

*John Dickinson*

*“Quaker Constitutionalism and the Political Thought of John Dickinson”*

*Thomas Paine*  
*“Common Sense”*

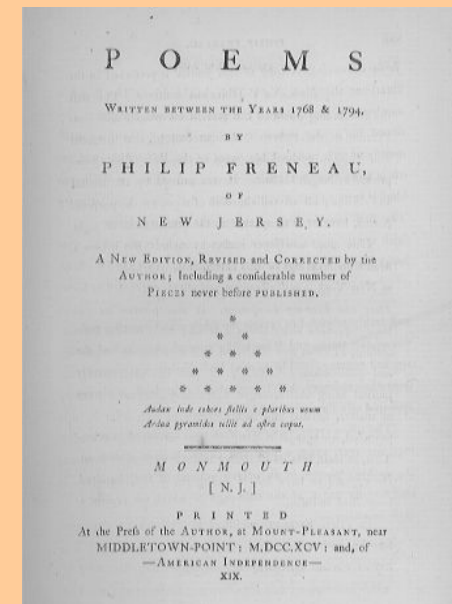

# Benjamin Franklin

## “The Autobiography”

# Philip Morin Freneau

## “The Poems”

# The chief aim of the writers

- to defuse republican ideas among common people
- to expose the tyranny of monarchism
- to defend the rights of common people against the church and feudal laws

# Their contribution in the development of the trend

- The writers created spiritual and social upheaval in literature, science and journalism
- Created the progress of education
- Created the main idea of humanism
- They went on the ideas of the Renaissance
