-
- Fashion - a temporary dominance of a certain style in any area of life or culture. Each person has a distinct style of fashion. Some people like skinny jeans, someone does not stand them. Next, bring the different styles of jeans

Loose Fit

Wide jeans, "pipe", available over the entire length, especially at the bottom.

Skinny

- Narrow, tight jeans.

Low Waist

- Low waistline.

Baggy

- Jeans style "Baggy" (their main rappers wear) is very wide, especially in the waist.

Capris

- Trousers, up to about mid-calf.
