I can describe personality

I'd like to tell some words about my friend. His name is Brad, he is 15, he is a student. Brad is very responsible. I can always trust him when I ask him to do something. He is also decisive and makes decisions quickly. On the other hand he tends to be bossy. He likes telling other people what to do. My sister is Mary, she is 17. She is very energetic. She works hard and participate in lot's of activities. She is ambitious as well, she wants to be successful in life. However she tends to be self-centered, she cares about herself and forgets about other people's feelings. My mom is very generous, she likes sharing things or spending money, she loves helping other people. She is also intelligent and honest. On the other hand she is sensitive at times, she get upset easily.
