

Grammar/6 grades

Define grammar through the colors/6 grades

Sue likes listening to music. She doesn't have a favourite subject because she likes all of them. Her mother(s) is French so she can speak French as well as English. Her hair is dark and long. She doesn't like people who leave their chewing gum under tables. She doesn't have any brothers or sisters. In summer she likes playing basketball.

Nouns can be:

1. countable/uncountable
2. have singular/plural;
3. have possessive case
