CONCLUSION

- Madonna is very popular and important person in USA. She did a lot of successful deals in music industry. Everybody can envy this singer.
- Jim Carrey is the best comedian all over the world. His comic image makes to laugh even the most humble people. I watch the film “Mask” several times. It’s the best comedy.

A promotional image for the movie 'Yes Man' featuring Jim Carrey. He is shown in mid-air, jumping joyfully with his arms and legs spread wide. He is wearing a blue button-down shirt, dark jeans, and a brown jacket slung over his shoulder. The background is a bright blue sky with scattered white clouds. In the lower third of the image, a row of six palm trees of varying heights is visible. The overall mood is one of happiness and freedom.
