and

**THEIR INVENTIONS
AND DISCOVERIES**

FINAL TEST

Use Passive instead of Active

1. Roger Bacon invented...

A magnifying glass was invented by Roger Bacon.

2. Alexander Graham Bell invented ...

Use Passive instead of Active

3. László József Bíró invented ...

4. Josephine Cochrane invented ...

Use Passive instead of Active

5. Jacques-Yves Cousteau invented ...

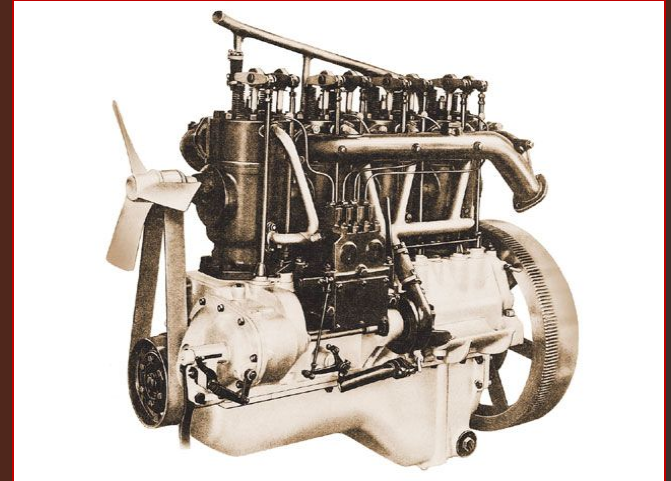

6. Bartolomeo Cristofori invented ...

Use Passive instead of Active

7. Rudolf Diesel invented ...

8. Thomas Edison invented ...

Use Passive instead of Active

9. Douglas C. Engelbart invented ...

10. Alexander Fleming invented ...

Use Passive instead of Active

11. Gustav de Laval invented ...

12. Antoni van Leeuwenhoek invented

Name the object and choose the right alternative

1.

was invented by

- A. Eugene Kaspersky
- B. Michael Faraday
- C. Etienne Lenoir

Etienne Lenoir

Name the object and choose the right alternative

2.

was invented by

- A. Wilhelm Röntgen
- B. Charles Macintosh
- C. Garrett Morgan

Charles Macintosh

Name the object and choose the right alternative

3.

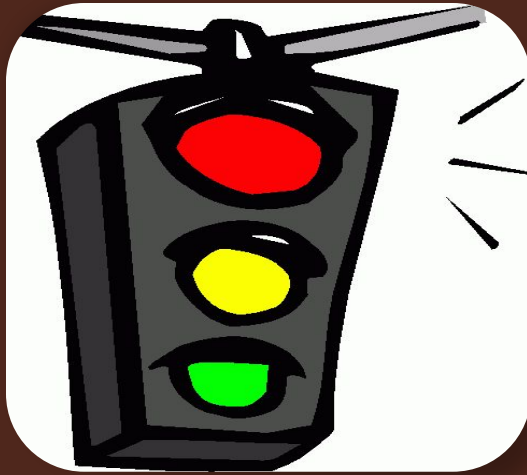

was invented by

- A. Hippolyte Mège-Mouriés
- B. Samuel Morse
- C. William Oughtred

Hippolyte Mège-Mouriés

Name the object and choose the right alternative

4.

was invented by

- A. Garrett Morgan
- B. William Oughtred
- C. George Pullman

Garrett Morgan

Name the object and choose the right alternative

5.

was invented by

- A. Isaac Singer
- B. George Stephenson
- C. Franz San Galli

Franz San Galli

Name the object and choose the right alternative

6.

was invented by

- A. Ibn Sina (Avicenna)
- B. Levi Strauss
- C. Adolphe Sax

Adolphe Sax

Name the object and choose the right alternative

7.

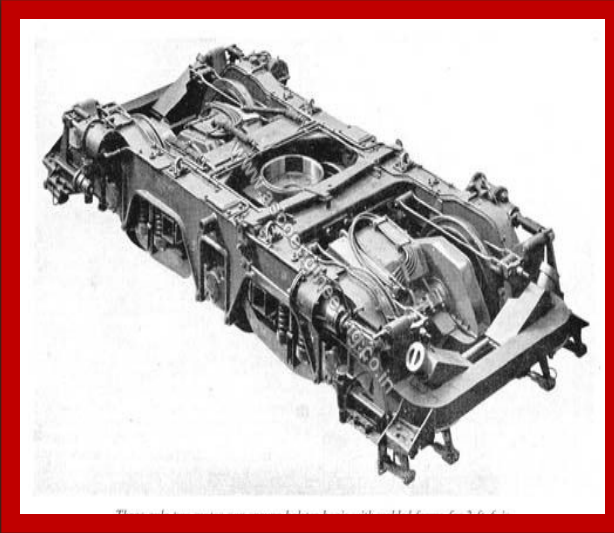

was invented by

- A. Konstantin Tsiolkovsky
- B. Igor Sikorsky
- C. Jacques-Yves Cousteau

Igor Sikorsky

Name the object and choose the right alternative

8.

was invented by

- A. George Westinghouse
- B. James Watt
- C. Ivan Polzunov

George Westinghouse

Name the object and choose the right alternative

9.

was invented by

- A. Wilhelm Röntgen
- B. Franz San Galli
- C. Hippolyte Mège-Mouriés

Wilhelm Röntgen

Name the object and choose the right alternative

10.

was invented by

- A. James Naismith
- B. Dmitri Mendeleev
- C. Alfred Nobel

Alfred Nobel

Name the object and choose the right alternative

11.

was invented by

- A. Etienne Lenoir
- B. Arthur Wynne
- C. James Naismith

James Naismith

Thanks a lot!

It was cool!
