

INTERMEDIARY IN BRIBERY

Tsedeeva Danara

Plan

- What is bribery?
- Objective aspect
- Subjective aspect
- Qualifying features

Bribery

When the official is offered material reward to overlook actions made, by a person in question

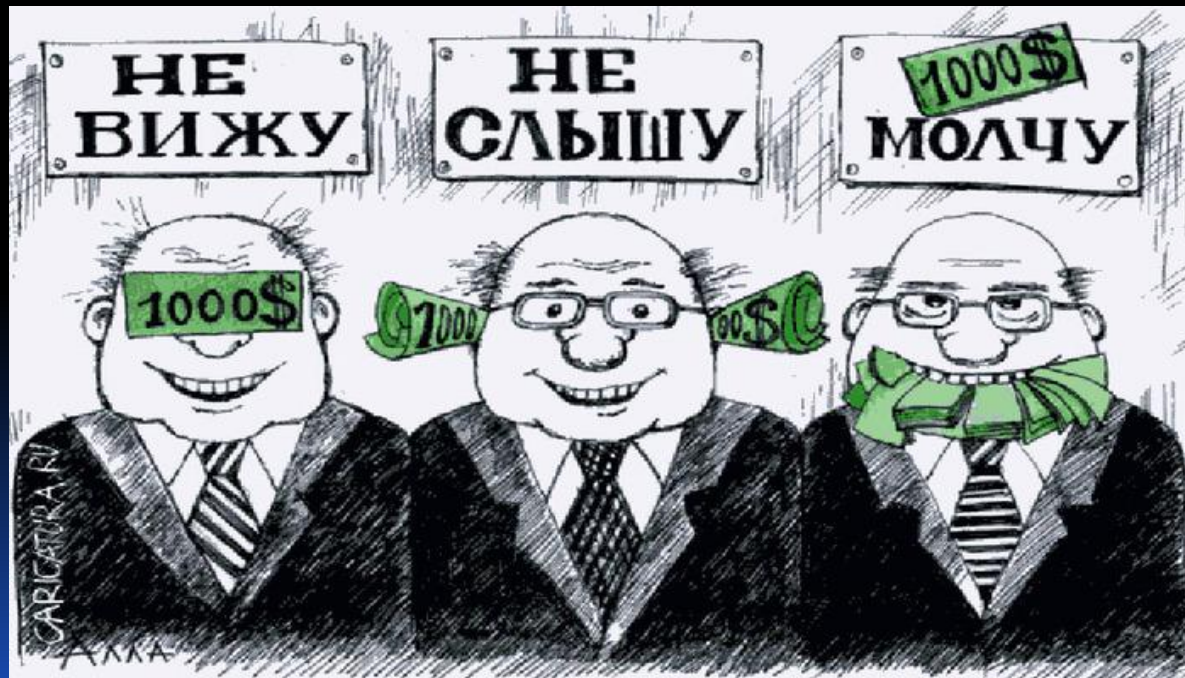

Objective aspect

- Only actions
- Need not to prove causation between action and its injurious to the public result .

Subjective aspect

- “Professional” person, who actioned not on his own behalf

Mental element of crime

- Direct intention
- Motives are not essential in the qualification

Qualifying features

- Bribe for illegal actions
- Group of persons
- Large sum of money
- Especially large sum of money

A vertical bar on the left side of the slide, consisting of a white top section with three black vertical lines, a blue segment, a green segment, and a red segment.
