OBJECTION (TANGO)

Words by Shakira

It's not her fault that she's so irresistible
But all the damage she's caused is unfixable
Every twenty seconds you repeat her name
But when it comes to me you don't care
If I'm alive or dead, so

So objection I don't want to be the exception
To get a bit of your attention
I love is for free and I'm not your mother
But you don't even bother

Objection I'm tired of this triangle
Got dizzy dancing tango
I'm falling apart in your hands again
No way I've got to get away

Next to her cheap silicone I look minimal
That's why in front of your eyes I'm invisible
But you gotta know small things also count
You better put your feet on the ground
And see what it's about

Objection I don't want to be the exception
To get a bit of your attention
I love you for free and I'm not your mother
But you don't even bother

Objection I'm tied to the angles of this triangle
Got dizzy dancing tango
I'm falling apart in your hands again
No way I've got to get away

I wish there was a chance for you and me
I wish you could find our place to be
Away from here

This is pathetic and sardonic
Its sadistic and psychotic
Tango is not for three
Was never meant to be

But you can try it
Rehearse it
Or train like a horse

But don't you count on me
Don't you count on me boy

Objection I don't want to be the exception
To get a bit of your attention
I love you for free and I'm not your mother
And you don't even bother

Objection I'm tired of this triangle
Got dizzy dancing tango
I'm falling apart in your hands again
No way I've got to get away

■ UNDERNEATH YOUR CLOTHES

Words By Shakira

■ You're a song

Written by the hands of God

Don't get me wrong cause

This might sound to you a bit odd

But you own the place

where all my thoughts go hiding

And right under your clothes

is where I'll find them

■ Underneath your clothes

There's an endless story

There's the man I chose

There's my territory

And all the things I deserve

For being such a good girl honey

■ Because of you

I forgot the smart ways to lie

Because of you

I'm running out of reasons to cry

When the friends are gone

When the party's over

We will still belong to each other

■ Underneath your clothes

There's an endless story

There's the man I chose

There's my territory

And all the things I deserve

For being such a good girl honey

■ I love you more than all that's on the planet

■ Movin' talkin' walkin' breathing

You know it's true

Oh baby it's so funny

You almost don't believe it

As every voice hanging from the silence

Lamps are hanging from the ceiling

Like a lady to her good manners

I'm tied up to this feeling

■ Underneath your clothes

There's an endless story

There's the man I chose

There's my territory

And all the things I deserve

For being such a good girl honey

WHEREVER, WHENEVER

Words by Shakira and Gloria M Estefan

Lucky you were born that far away so
We could both make fun of distance

Lucky that I love a foreign land for
The lucky fact of your existence

Baby I would climb the Andes solely
To count the freckles on your body

Never could imagine there were only
Ten million ways to love somebody

Le do le le le, Le do le le le

Can't you see

I'm at your feet

Whenever, wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

Thereover, hereunder

You'll never have to wonder

We can always play by ear

But that's the deal my dear

Lucky that my lips not only mumble

They spill kisses like a fountain

Lucky that my breasts are small and humble

So you don't confuse them with mountains

Lucky I have strong legs like my mother

To run for cover when I need it

And these two eyes that for no other

The day you leave will cry a river

Lo do le le le, Le do le le le le

Lo do le le le, Le do le le le le

At your feet

I'm at your feet

Whenever, wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

Thereover, hereunder

You'll never have to wonder

We can always play by ear

But that's the deal my dear

Lo do le le le, Le do le le le le

Think out loud

say it again

Le do le le le le

Tell me one more time

That you'll live

Lost in my eyes

Whenever, wherever

We're meant to be together

I'll be there and you'll be near

And that's the deal my dear

Thereover, hereunder

You've got me head over heels

There's nothing left to fear

If you really feel the way I feel

RULES

Words by Shakira
 You have to swear
 You've got love to love me
 Aah aah
 That will last forever
 Aah aah
 We must have a story
 Aah ahh
 With a happy ending
 So don't ever go away
 And never put aside
 The things I'm gonna say
 Cause these are rules for us

Use your eyes
 only to look at me
 Use your mouth
 only to kiss my lips
 We are branches of the same old tree
 You can laugh
 only if you laugh with me
 You can cry
 only if you cry for me
 Don't forget that you're condemned to me

Oh can't you see
 You always were
 You'll always be
 You used to say
 I should see a doctor
 Who would keep me busy
 Aah aah
 Cause a jealous woman
 Never makes it easy

Ahh, ahh
 And you know I'll do for us
 Whatever seems right
 But it may take a while
 Before I change the rules
 Use your eyes
 only to look at me
 Use your mouth
 only to kiss my lips
 We are branches of the same old tree
 You can laugh
 only if you laugh with me
 You can cry
 only if you cry for me
 Don't forget that you're condemned to me
 Oh can't you see
 You always were
 You'll always be

THE ONE

Words by Shakira

So I find a reason to shave my legs
Each single morning

So I count on someone
Friday nights to take me dancing
and then to church on Sundays

To plant more dreams
And someday think of kids
Or maybe just save a little money

You're the one I need
The way back home is always long
But if you're close to me
I'm holding on

You're the one I need
My real life has just begun
Cause there's nothing like
your smile made of sun
In the world full of strangers
You're the one I know

So I learned to cook
and finally lose my kitchen phobia
So I've got the arms to cuddle in
When there's a ghost or a muse
That brings insomnia

To buy more thongs
To write more happy songs
It always takes a little help from someone

You're the one I need
The way back home is always long
But if you're close to me
I'm holding on

You're the one I need
My real life has just begun
Cause there's nothing like
your smile made of sun

You're the one I need
You're the one I need
With you my real life has just begun
You're the one I need
Nothing like your smile made of sun
Nothing like your love
Nothing like your love
Nothing like your love

- **READY FOR THE GOOD TIMES**
Words by Shakira
- I don't want to clear the cobwebs
from my head
Time will bring them back I bet
So if you hear me say that I believe
in love
Don't make me feel ashamed
I used to sing the saddest songs
And in the meantime roaches used
to climb my door
Falling back down to the floor
- I used to read survival guides
When my world was full of seven
naked cats
But here I am with eight more lives
- I'm ready for the good times
I'm ready for the good times
Ready to get it all
I'm ready for the good times
I'm ready for the good times
Now that I'm not alone
Oh oh oh oh
Oh oh oh oh
Oh oh oh oh
You know it
Oh oh oh oh
Oh oh oh oh
You better not
ignore it
I don't want to look at fashion
magazines
While someone does my nails
Sitting here watching other people
live
Frozen by the fear to fail
Cause, everyday there's a war to
fight
And if I win or lose never mind
As long as you're my shelter every
night
I used to cry against the wall
But now I've got a shoulder that I
can lean on
Swear to me that you won't be gone
I'm ready for the good times
I'm ready for the good time
Ready to get it on
I'm ready for the good times
I'm ready for the good time
Ready to get it on
Now that I'm not alone

FOOL

Words by Shakira

- Tell me lies, slap me on the face, just...
Improvise, do something really clever
That'll make me hate your name forever
- You might swear, you'd never touch a lady
Well, let me say, you're not too far from maybe
Every day you find new ways to hurt me
- But I can't help it if I'm just a fool
Always having my heart set on you
'Till the time you start changing the rules
I'll keep chasing the soles of your shoes
Ahh, Fool
- Got resigned from hearing my old story
Every night, I'm paying hell for glory
I'm embarrassed but I'm much more sorry
- All this pain, begins to feel like pleasure
With more tears, you'd make a sea a desert
Salt my wounds and I'll keep saying thank you
- But I can't help it if I'm just a fool
Always having my heart set on you
'Till the time you start changing the rules
I'll keep chasing the soles of your shoes
Ahh, Fool

TE DEJO MADRID

Words by Shakira

- Si, ya es hora de esconder
Del mundo el dolor
Bajo la piel
Mas se que estare bien
Los gatos como yo caen de pie
- No quiero
Jugar mi suerte por ti
No puedo
Con V pequena vivir
Pronto estare de aqui
Muy muy lejos
- Ay me voy otra vez
Ay te dejo Madrid
Tus rutinas de piel
Y tus ganas de huir
Yo no quiero cobardes
Que me hagan sufrir
Mejor le digo adios
A tu boca de anis
- Si, ya es hora de limpiar
Las manchas de mile
Sobre el mantel
Yo nunca supe actuar
Y mis labios se ven
Muertos de sed
- No quiero dejarlo todo al azar
Entiendo
Que he comenzado a estorbar
Pronto estare de ti
Muy muy lejos
- Ay me voy otra vez
Ahi te dejo madrid
Tus rutinas de piel
Y tus ganas de huir
Yo no quiero cobardes
Que me hangan sufrir
Mejor le digo adios
A tu boca de anis

POEM TO A HORSE

Words by Shakira

You're too far to bring you across
And too high to see below
Just hanging on your daily dose

I know you never needed anyone
But they're rolling papers for your grass
How can you give what you don't have?

You keep on aiming for the top
And quit before you sweat a drop
Feed your empty brain
with your hydroponic pot
Start out playing with yourself
You get more fun within your shell
Nice to meet you but I gotta go my way
I leave again 'cause I've been waiting in vain
But you're so in love with yourself
If I say my heart is sore
Sounds like a cheap metaphor
So I won't repeat it no more

I'd rather eat my soup with a fork
Or drive a cab to New York
Cause to talk to you is harder work

So what's the point of wasting all my words
If it's just the same or even worse
Than reading poems to a horse

You keep on aiming for the top
And quit before you sweat a drop
Feed your empty brain
with your hydroponic pot
I bet you'll find someone like you
Cuz there's a foot for every shoe
I wish you luck but I've got other things to do

I leave again 'cause I've been waiting in vain
But you're so in love with yourself
If I say my heart is sore
Sounds like a cheap metaphor
So I won't repeat it no more

- **QUE ME QUEDES TU**
Words by Shakira
- Que se arruinen los canales de noticias
Con lo mucho que odio la television
Que se vuelvan anticuadas las sonrisas
Y se extingan todas las puestas de sol
Que se supriman las doctrinas y deberes
Que se terminen las peliculas de accion
Que se destruyan en el mundo los
placers
Y que se escriba hoy una ultima cancion
Pero Que me quedes tu me quede tu
abrazo
Y el beso que inventas cada dia
Y que me quede aqui despues del ocaso
Para siempre tu melancholia
Porque yo si que dependo de ti
Y si me quedas tu
Me queda la vida
Que desaparezcas todos los vecinos
Y se coman las sobras de mi inocencia
Que se vayan uno a uno los amigos
Y que acribillen mi pedazo de conciencia
Que se consuman las palabras en los
labios
Que contaminen todo el agua del
planeta
O que renuncien los filantropos y sabios
Y que se muera hoy hasta el ultimo

EYES LIKE YOURS

English Lyrics by Gloria E Estefan

Oh, you know I have seen
A sky with no sun
A man with no nation
Saints captive in chains
A song with no name
For lack of imagination

Ya he...

And I have seen
Darker than ebony

Ya he...

And now it seems, that I
Without your eyes could never be

My one desire, all I aspire
Is in your eyes forever to live

Traveled all over; the seven oceans
There is nothing that I wouldn't give
Came from Bahrein, got to Beirut
Looking for someone comparing to
you

Tearing down windows and doors
And I could not find eyes like yours

Oh, I have just seen

A woman of means
in rags and begging for pleasure
Crossed a river of salt

Just after I rode
A ship that's sunk in the desert

Ya he...

And I have seen
Darker than ebony

Ya he...

And now it seems, that I
Without your eyes could never be

My one desire, all I aspire
Is in your eyes forever to live

Traveled all over; the seven oceans
There is nothing that I wouldn't give
Came from Bahrein, got to Beirut
Looking for someone comparing to
you

Tearing down windows and doors
And I could not find eyes like yours

SUERTE

Words by Shakira

- Suerte que en el sur hayas nacido
Y que burlemos las distancias,
- Suerte que es haberte conocido
Y por ti amar tierras extrañas
- Yo puedo escalar los Andes
Solo, Por ir a contar tus lunares,
- Contigo celebro y sufro todas
mis alegrías y mis males
- Lero lorebray...sabes que...
Estoy a tus pies
- Contigo mi vida
Quiero vivir la vida
Y lo que me queda de vida
Quiero vivir contigo
- Suerte que es tener labios sinceros
Para besarte con mas ganas,
- Suerte que mis pechos sean pequenos
Y no los confundas con montañas
- Suerte que herede las piernas firmes
Para correr si me hace falta,
- Y estos dos ojos que me dicen
Que han de llorar cuando te vayas
- Lero lorebray...sabes que...
Estoy a tus pies
- Contigo mi vida
Quiero vivir la vida
Y lo que me queda de vida
Quiero vivir contigo
- Lero lorebray...sabes que...
Estoy a tus pies
- Lero lorebray
La felicidad tiene tu nombre u tu piel
- Contigo mi vida
Quiero vivir la vida
Y lo que me queda de vida
Quiero vivir contigo
- Ya sabes, mi vida, estoy hasta el cuello
por ti
Y si sientes algo así, quiero que te quedes
junto a mí

TE AVISO, TE ANUNCIO (TANGO)

Words by Shakira

Nunca pense que doliera el amor así
Cuando se entierra en el medio de un no
y un si

Es un día ella y otro día yo
Me estas dejando sin Corazón
Y cero de razón

Ay, te aviso y te anuncio que hoy renuncio
A tus negocios sucios
Ya sabes que estoy de ti vacunada
A prueba de patadas
Por ti me quedo como Mona Lisa
Sin llanto y sin sonrisa
Que el cielo y tu madre cuiden de ti
Me voy será mejor así

Se que olvidarte no es asunto sencillo
Te me clavaste en el cuerpo como un cuchillo
Pero todo lo que entra ha de salir
Y los que estan tendran que partir
Empezando por mi

Ay, te aviso y te anuncio que hoy renuncio
A tus negocios sucios
Ya sabes que estoy de ti vacunada
A prueba de patadas
Por ti me quedo como Mona Lisa
Sin llanto y sin sonrisa
Que el cielo y tu madre cuiden de ti
Me voy

Tal vez tu no eras ese para mi
No se como se puede ya vivir
Queriendo así

Estan patetico, neurotico, satirico y sicotico
Tu no lo ves

El tango no es de a tres
Ahi voy planeando escapar y me sale al revés
Pero voy a intentarlo una y otra vez voy

Ay, te aviso y te anuncio que hoy renuncio
A tus negocios sucios
Por ti me quedo como Mona Lisa
Sin llanto y sin sonrisa
Te aviso que de ti vacunada
Que no me importa nada
Que el Cielo y tu madre cuiden de ti
Ya me voy, ya me fuí, es mejor así

Ask For moew

I'd rather dance in the air
than lie on the ground.
I'd rather my open my ears
than shut out the sound.
Travel to the ends of the Earth
and tell you what I found.

I rather kneel down and pray
than scream at the sun.
Prefer to know than
to hide from my skeletons.
I don't want to sit down and cry
while watching others run.

If I missed the bus more than once,
I'm not the only one.
Don't wanna wait around
for things to come to me.
'Cause when my hands are tied,
they struggle to be free.
And if they steal my eyes,
I'll find a new way to see.

The world's forever turning,
and there's a thought that never stops burning.
If I'm pounding at your door,
it's because I'm here to ask for more.
The world's forever turning,
and there's a thought that never stops burning.
If I'm pounding at your door,
it's because I'm here to ask for more.

Prefer a thousand hello's
to just one goodbye.
Prefer the pain of the truth
to a pretty lie.
Listen to the words in my head,
although they may not rhyme.
Listen to the voice in my heart,
somedays it's so sublime.
Don't wanna wait around
for things to come to me.
'Cause when my hands are tied,
they struggle to be free.
And if they steal my eyes,
I'll find a new way to see.

The world's forever turning,
and there's a thought that never stops burning.
If I'm pounding at your door,
it's because I'm here to ask for more.
The world's forever turning,
and there's a thought that always burning.
If I'm pounding at your door,
it's because I'm here to ask for more.

- Knock on my door
- I'm gonna obey all your wishes as if they were orders
- I'm gonna dye your body in kisses while we're growing older
- I'll be there to beat your fears in all the three hundred sixty five days a year

so this is what I say

Knock on my door
you know I'll be in town
come ask for more don't let me down
what is off what is on
what is left what is gone
I'm gonna give it all for you baby
you can consider it done

I'm gonna live all my mondays like the sunniest sundays
I'm gonna go through life every moment thinking of you always
and again we'll beat our fears there's only three hundred sixty five days a year

so this is what I say

Knock on my door
you know I'll be in town
come ask for more don't let me down
what is off what is on
what is left what is gone
I'm gonna give it all for you baby
you can consider it done

Knock on my door
Knock on my door

don't let me down
you know I'll be in town

Pide Mas

Prefiero toda la miel a un gramo de sal
 Prefiero un raro comienzo a un mal final
 Y si se trata de dormir
 Prefiero despertar
 Prefiero el sol a una lampara de neon
 Prefiero mil bienvenidas a un adios
 Prefiero quedarme escuchar entera esta cancion

Por se en una estrofa me llego a tropezar con
 Dios
 Y bailar sin parar que hacerme en un rincon
 Y sentarme esperar y a perder la ilucion
 Y si hablo si pensar
 Entonces mucho mejor

El mundo es una esfera
 Gira vuelve y donde se esperara
 Mis ojos miraran
 Cosas que ni alcanzo a imaginar
 El mundo es una esfera
 Gira vuelve y donde se esperara
 Cuando alguien pide mas
 Sabe que quien buzca va a encontrar

Prefiero un mundo a un pedazo de suvenir
 Seguir la lucha dejar de sobrevivir
 Prefiero olvidar lo que di a lo que recibí

Y aunque rompa mi corazon
 Volver a amarte asi
 Y bailar sin parar como me gusta a mi
 Y sentarme y esperar si no me ire de aqui
 Y si te hablo de mas, tu vive y deja vivir

El mundo es una esfera
 Gira vuelve y donde se esperara
 Mis ojos miraran
 Cosas que ni alcanzo a imaginar
 El mundo es una esfera
 Gira vuelve y donde se esperara
 Cuando alguien pide mas
 Sabe que quien buzca va a encontrar

El mundo es una esfera
 Gira vuelve y donde se esperara
 Mis ojos miraran
 Cosas que ni alcanzo a imaginar
 El mundo es una esfera
 Gira vuelve y donde esperas
 Cuando alguien pide mas
 Sabe que quien buzca va a encontrar
