POLITICAL LANGUAGE

is designed to make lies
sound truthful and
murder respectable,
and to give an
appearance of solidity
to pure wind.

George Orwell

You start out wanting
to change the world
through language, and
end up thinking it's
enough to tell a few
good jokes.

David Nicholls

Language politics is the way language and linguistic differences between peoples are dealt with in the political arena. This could manifest as government recognition, as well as how language is treated in official capacities.
