“Studies in European Societies” (MA SES)

MA SES is a 2-year program focusing on the social, political, economic and cultural dimensions of contemporary European societies considered in comparative perspective through the lenses of social sciences

Goal: to develop the knowledge and skills of students in the research of European societies and promote the integration of students in international academic and expert community

Priorities: to balance theory and practice in education in order to prepare students both for international academic career and for employment in international organizations

MA SES is run by:

- **St. Petersburg State University**

Details: <http://spbu.ru/>

- **Bielefeld University**

Details: <http://www.uni-bielefeld.de/>

- **Center for German and European Studies**

Details: <http://www.zdes.spbu.ru/>

- **The German Academic Exchange Service
(DAAD)**

Details: <http://www.daad.ru/>
