The background features several sets of concentric circles in a lighter shade of blue, resembling ripples in water. These circles are positioned in the lower half of the slide, with one set on the left, one in the center, and one on the right.

- The Fool's Day — the world holiday celebrated around the world on the first of April. During this holiday it is accepted to play friends and acquaintances, or it is simple to play a trick on them.

- On the first April I carried out together with friends. We went to park, we ate there hot dogs and were on attractions. In park of the city there were many people.
