

Medieval period

Medieval period

- Theo centrism
- Creationism
- Instead of dialectics – dualism;
- God – infinite, independent and eternal
- How can we know the truth? Belief and religion
- Struggle of good and evil

Medieval period

- Absolute person is God
- Anthropomorphism
- A future life;
- Present life is transitional
- Christians belong to the future life;
- Body and pleasures are the chains for soul
- Not apathy, grief, pessimism – but peace

Medieval period

- Divine sadness: death for pleasures and hope for Heavens;
- Sufferings;
- * “poverty of souls”

Medieval period

- St Augustine, “City of God”
- Thomas Aquinas: “Summa Theology”
- Master (Meister) Eckhart: poverty of souls.
