

Mini-project

Start anew

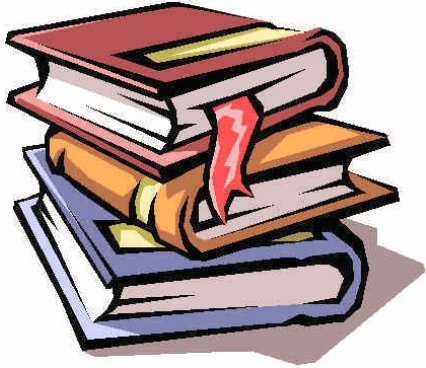

My expectations at the beginning of the school year

- I expect to see my classmates, teachers and friends.
- I want to know how they spent their summer as much rest and went.

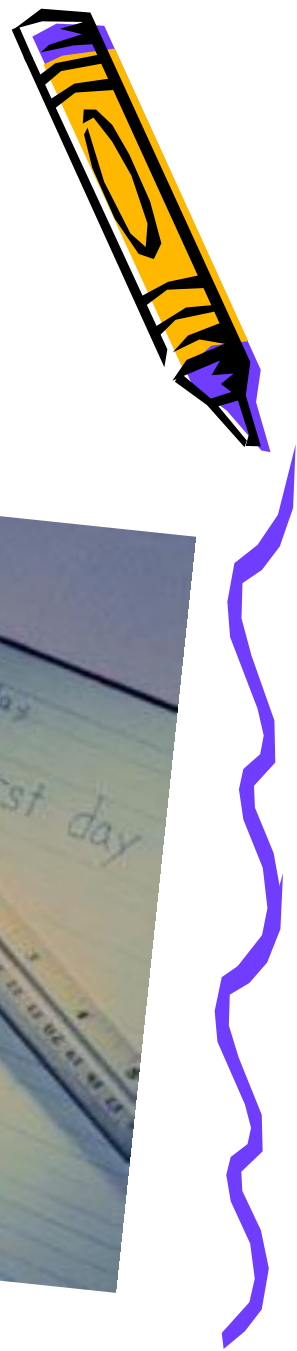

My worries at the beginning of the school year

- Need to buy uniforms, textbooks, pencil box, pens and other school supplies.

Your feelings during the first day at school

- I want to talk with classmates. Find out what's happened in school.
- Tell them about what I did in the summer.
