

My best friends.

Bahtina Alina.

- 
- **Now I have two best friends Julia and Kristina. They are very merry, funny and friendly girls.**

Julia.

- Julia is kind, nice, funny and bully girl. Our math teacher thinks, that she isn't polite. She likes to listen rock. But I don't like rock. 😊 😊 😊
I think, that Julia doesn't like to play volleyball.

Kristina.

- **Kristina is very sociable and nice. She likes to listen music. She likes pop music. Her best singer is Eminem. I like to listen Eminem`s songs too. Kristina can mix with pupils very good. I love you!**

We are very merry girls! ☺
