

My favourite room

- I live in a 9 – storeyed block of flats.
- There are 4 rooms in my flat.

- The largest room is living room.

The living room very comfortable .

There is a large window in room.

- There is a small study area in living room.

- Bookcase stands beside the table.

- A huge sofa occupies half of the room's space and can accommodate more than 4 people.

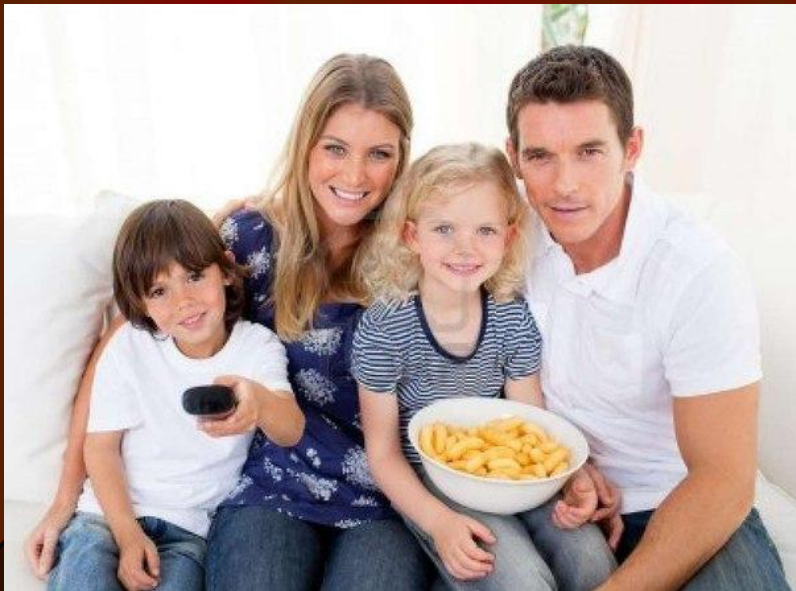

- TV – set hangs on the wall opposite the sofa.

- I have many happy memories (special occasions)

- In the evenings we gather in room .
