

My ideal partner

Each girl has an image of her ideal partner.

It's no matter, whether she meets exactly such man, who lives in her dreams. I think that a true girl should know what she wants not to be disappointed and not to regret about her choice after the marriage.

So, my IDEAL PARTNER

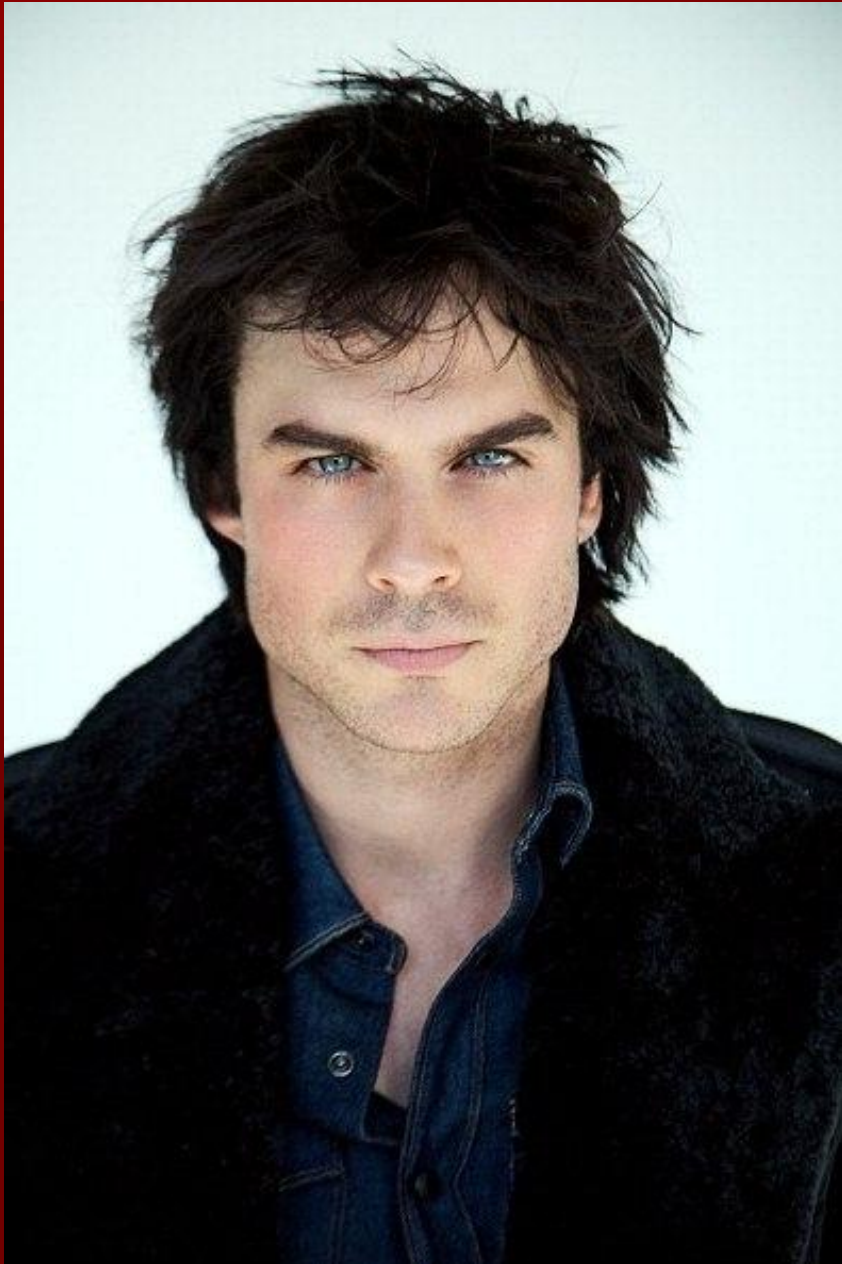

He's tall (170-180 cm), broad shouldered, muscular man. He has large, strong hands with protruding veins.

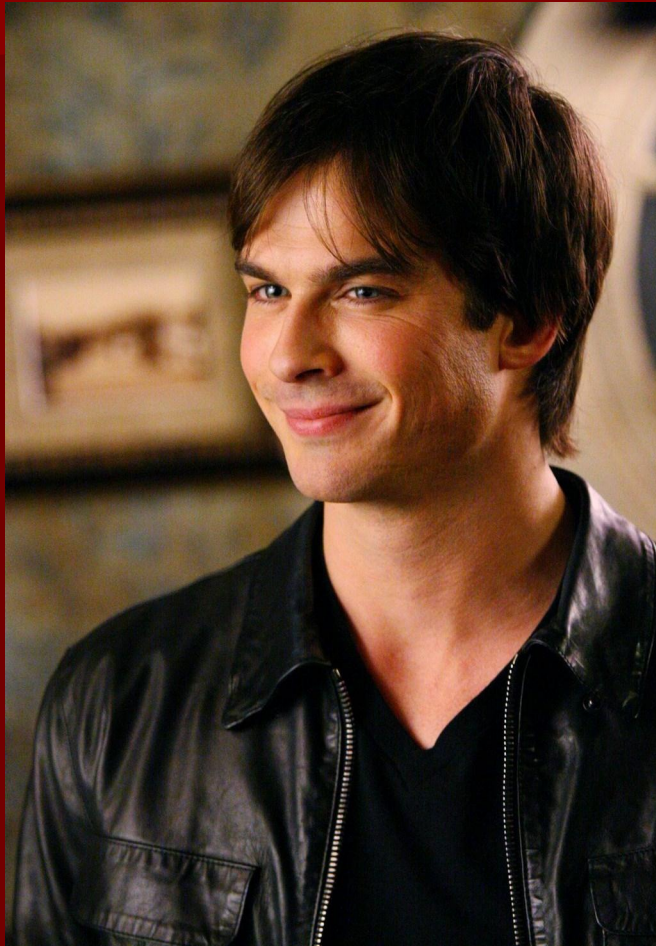

(Maybe it's a little strange, but I'm crazy about it. It's possible that it's a sign of strength in my notion=))
).All in all he has an attractive, sporty and sexy body.

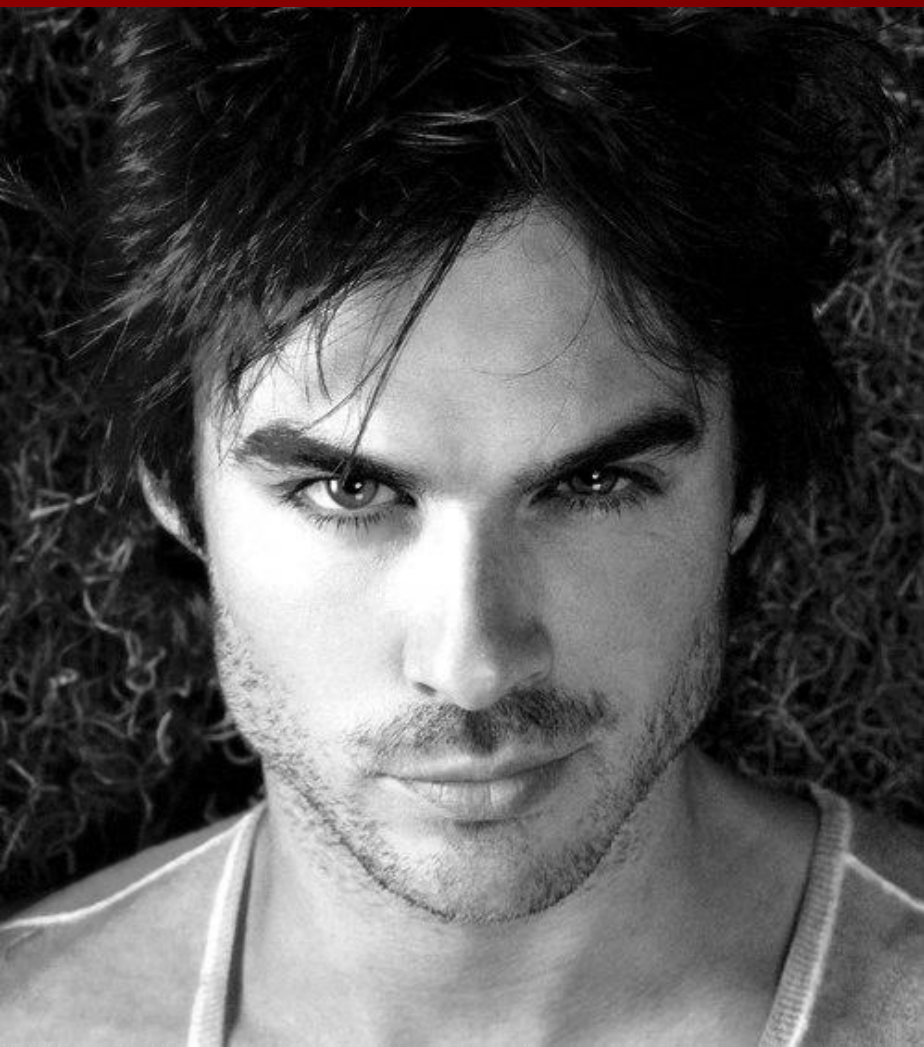

He has expressive, bright, sparkling, slightly sly eyes and well-defined black bushy eyebrows.

- He has a pointed chin, protruding cheekbones and a straight nose.

- His smile is cunning and charming...

He has jet-black, usually dishevelled hair.

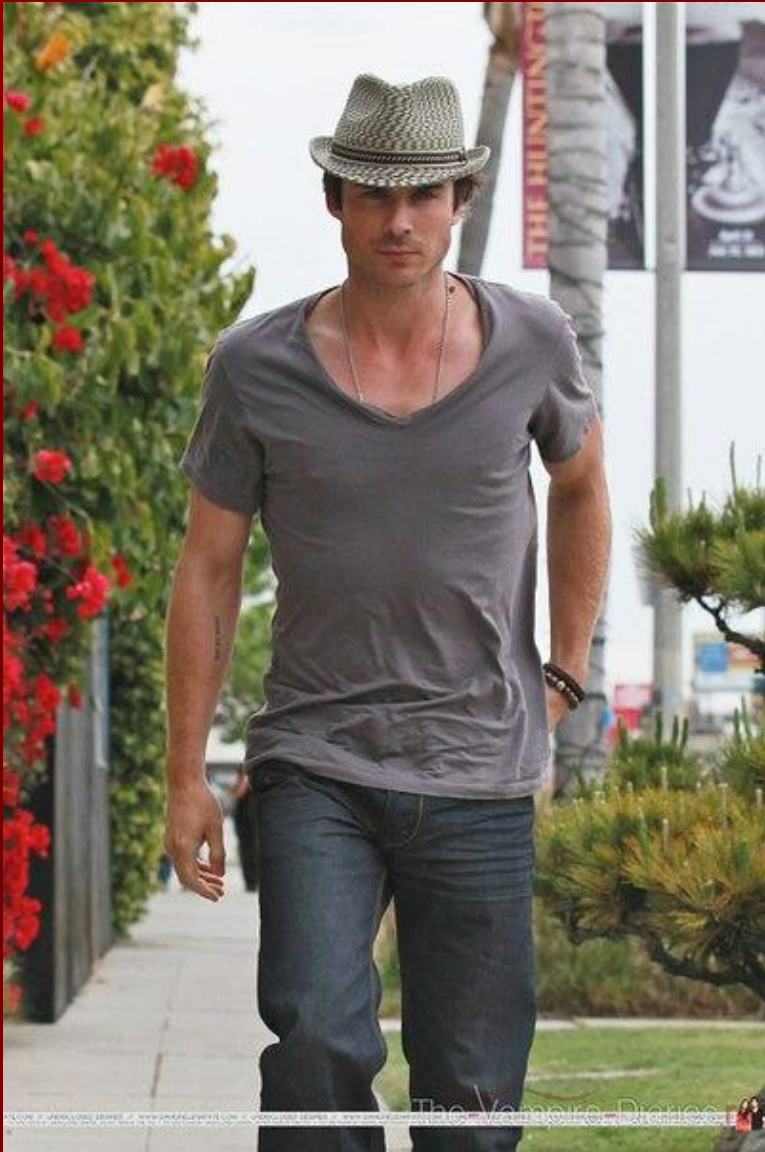

Character

He is very kind, loving, sincere, generous(I hate miserly ones), self-assured, strong-willed, polite man. He's as bright as a button and as sharp as a needle.

Furthermore, my ideal partner is as keen as mustard and always charges the energy others. He has a lot of friends, whom he'll help at any time.

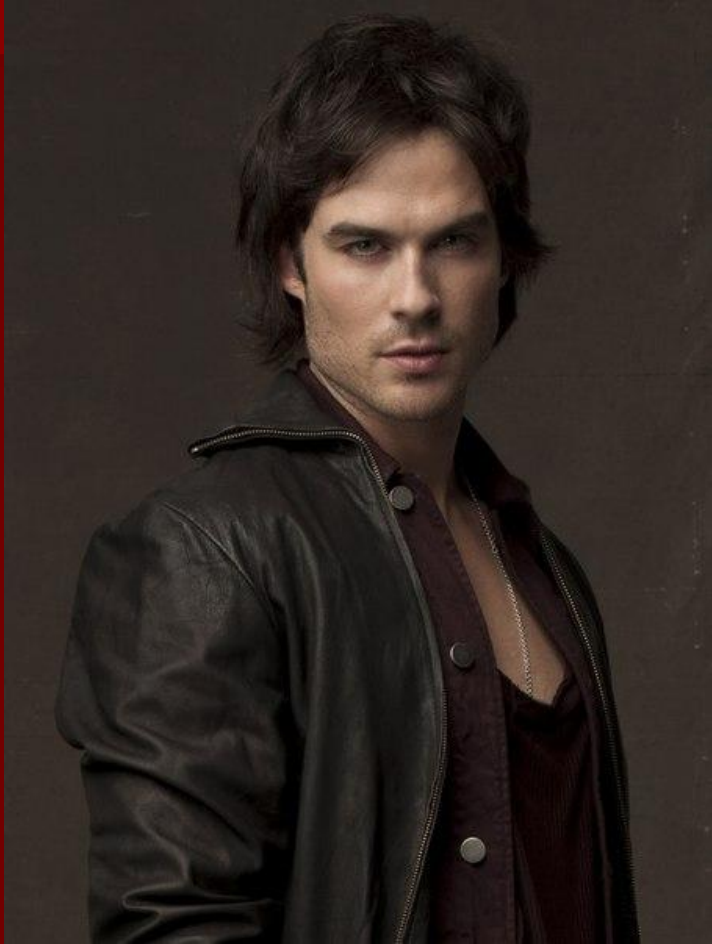

- My blue eyed boy is very successful. He can earn a lot of money.
- Many women takes a shine to him but he pay no attention to them: he's committed to me)
- He's a dare-devil,he's very creative and versative man. He knows how to enjoy life.

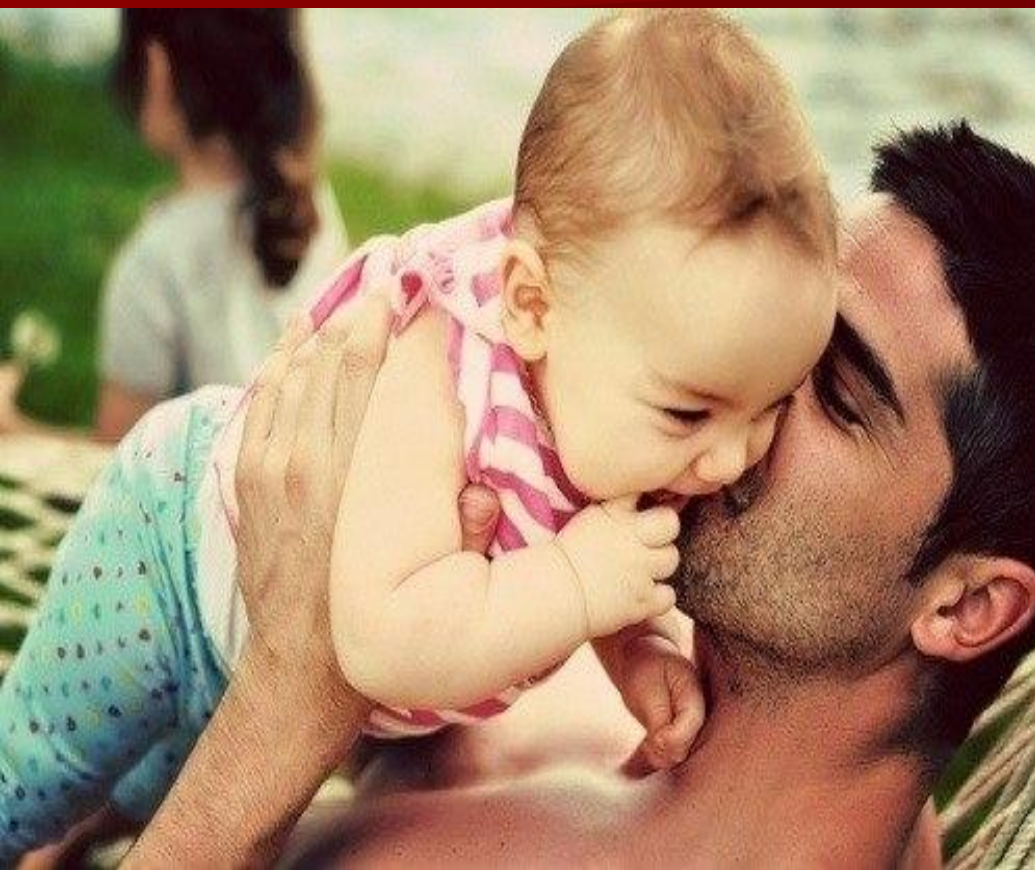

- And, of course, he loves me madly and executes all my whims.
- He gives me flowers and presents every day.
- He never forget to call me if we're away from each other and to ask "how are you?"

He has an enchanting voice and he plays the guitar very well. He's a life and a soul of the party. He composed mane songs to me and often sings me in the evening.

- He always knows what I want. He divines all my desires.
- We understand each other at a glance.
- We overcome all the difficulties in life and find the best solutions together.

He's an excellent father. He loves children very much. We have a daughter Karina and a son Radel. Usually we go to rest somewhere at weekend. He spends all his free time with family

We have perfect relationship. We ideally suit to each other. We'll be together all our long and happy life.

Thanks for attention!=)))
