

HOW TO SAVE OUR NATURE IN UKRAINE?

Dzyubinsky Maksym

A photograph of a park scene. In the foreground, a large, messy pile of discarded trash, including plastic bags, bottles, and food wrappers, sits on the grass at the base of a tree. In the middle ground, a person is lying on their stomach on a towel, sunbathing on the grass. In the background, other people are visible near a bench and more trees. The text "Clean up after yourselves!" is overlaid in white, sans-serif font across the center of the image.

Clean up after yourselves!

**WHEN YOU THROW WASTE
INTO RIVERS AND LAKES YOU
DO A LOT OF HARM NOT
ONLY YOURSELVES BUT BIRDS
AND ANIMALS!**

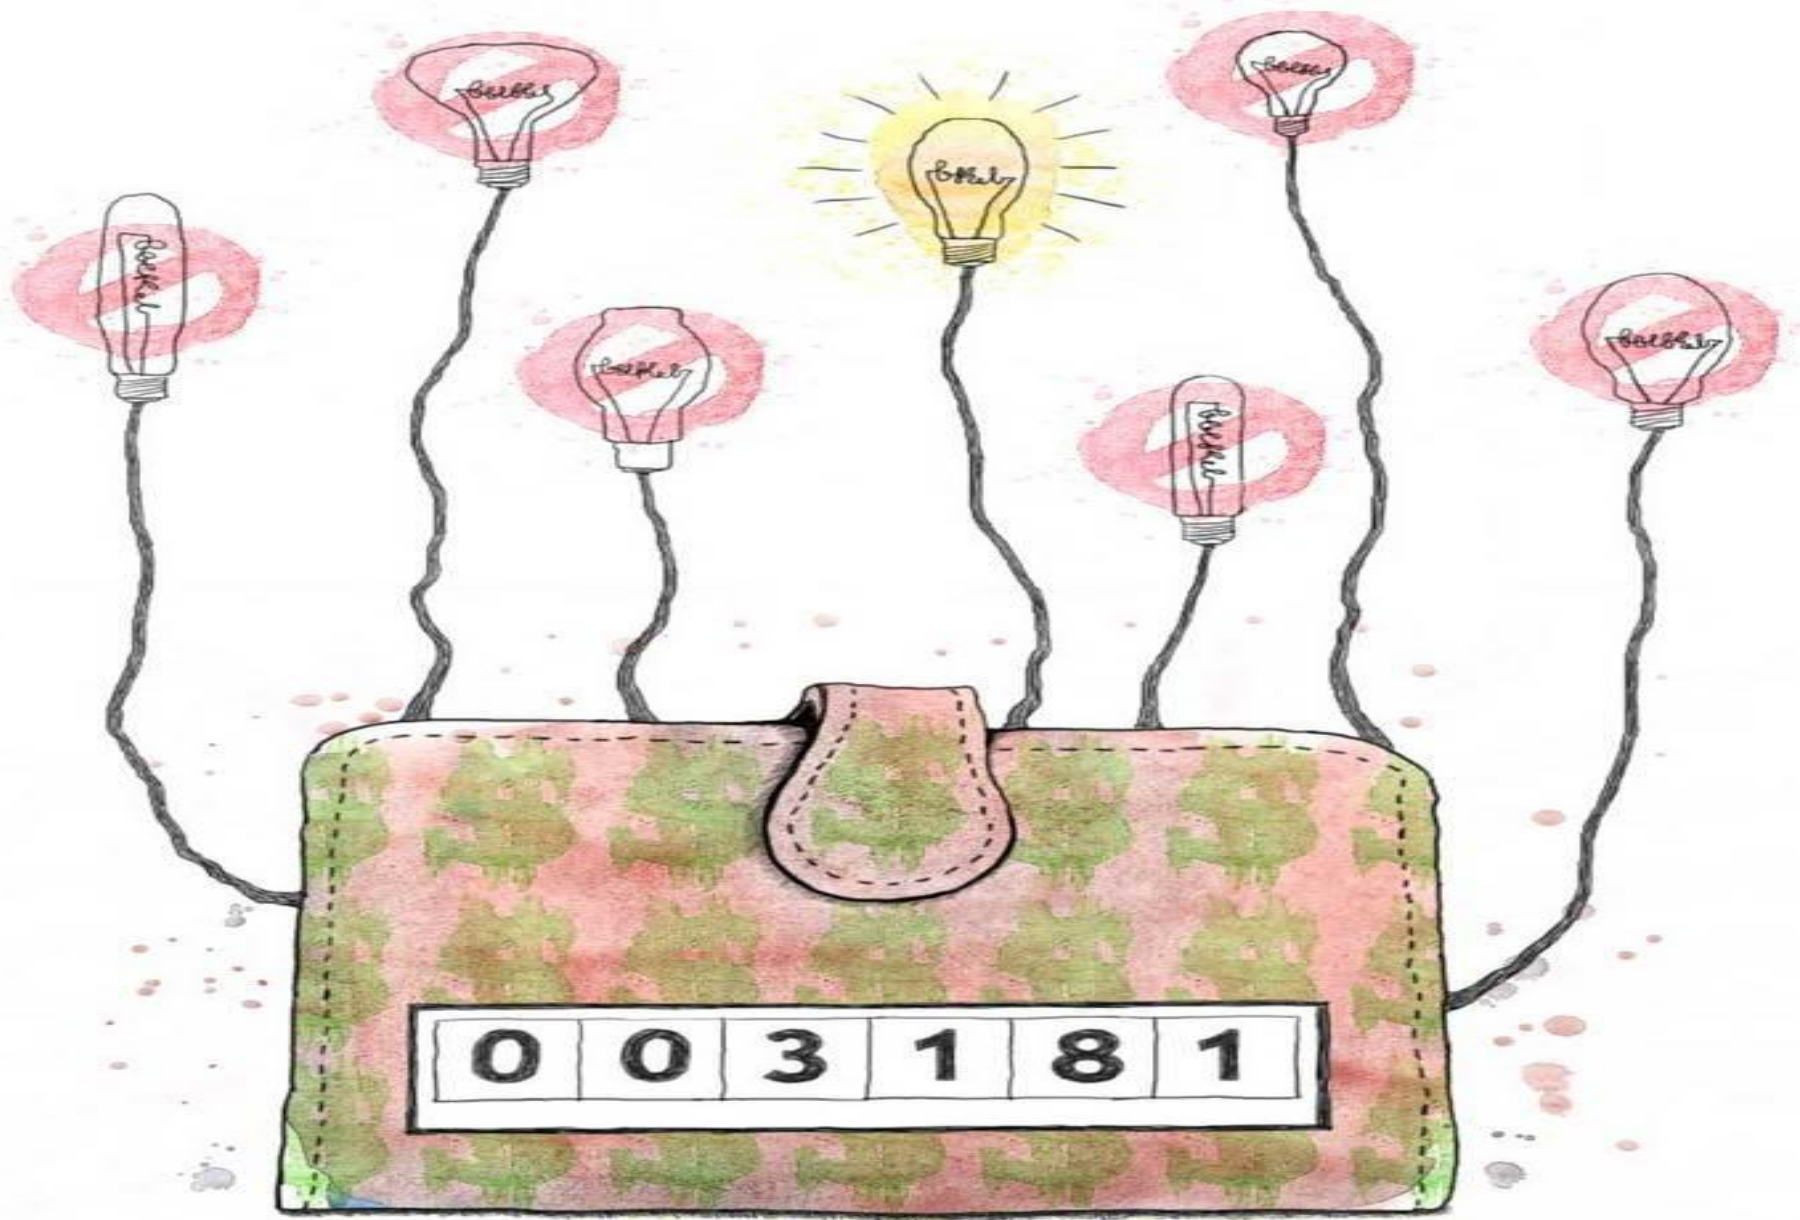

Do not cut down forests !

Don't poison the water, air and soil

Save electricity
