

No to addiction!!!

About alcohol and smoking.

Do you think, that person, who smoke and drink alcohol, look older, than person, who doesn't do it?

Do you think, that alcohol is very bad for your health? And what about smoking?

Addiction to something.

- Do you think, that addiction to something is dangerous to your health and to your mind?

Special diagram.

Thinking...

- Smoking, drugs, alcohol are not only bad habits! They are dangerous habits, which interfere to life, cause great harm to health, psychology and even to the people who are close to you...

See the difference?

- If your health suffer, it affects not only internally, but also externally. Bad skin, being tired, all this are consequences of bad habits!!!

What is happiness?

- Ice-cream, fun, sky, dancing, sun, grass, rain, snow, smiles, shopping, first love, boyfriend, kiss, friends, family, toys!!! It is also happiness!!!

Make a choice:)

Or...

We hope, that we have helped you, make the right conclusion:)

Thank you for your attention!:)
