

# Nothern Ireland

Nothern Ireland is devided on 6 shires  
and 26 regions.

This country is part of  
Great Britain from 1921.

The coat of arms of  
Nothern Ireland

# About geography...

The highest point of the country is the part of the Mourne Mountains (850m).

It is also the 19th highest peak on the island of Ireland.

# Sights...

The Giant's Causeway -  
is an area of about 40,000  
interlocking basalt columns,  
ancient volcanic eruption.

It was declared a  
World Heritage Site  
by UNESCO in 1986

in County Antrim...

Dunluce Castle.  
The first castle in  
Dunluse. It was built  
in the 13<sup>th</sup> cent.

# The country of NI – Belfast.

# About education...

Queen's University of Belfast  
Enters in Europe Association of universities.  
It was opened in 1849.

# Cuisine...

The most popular national dishes -

Colcannon  
( potatoes with onion)  
and Farls (bread with grits).

# Some drinks...

Golden Mile – the region  
which contains all the funniest pubs  
In Belfast. The GM ends in student's  
quarter.

# Three things you should do in Belfast:

- drink one pint of Guinness in each pub of Green Mile.
- play golf on the most famous golfer's land. Of course, if you can.
- visit the dock where Titanic was built and museum of this ship.

# Culture...

The Big Fish –  
monument of only tuna  
which was fished in  
North Ireland

John Candies made it in 1999.

# Green day!

The main national holiday – the Day of Saint Patric.

Oh, music...

All national holidays are still accompanied by bagpipes.

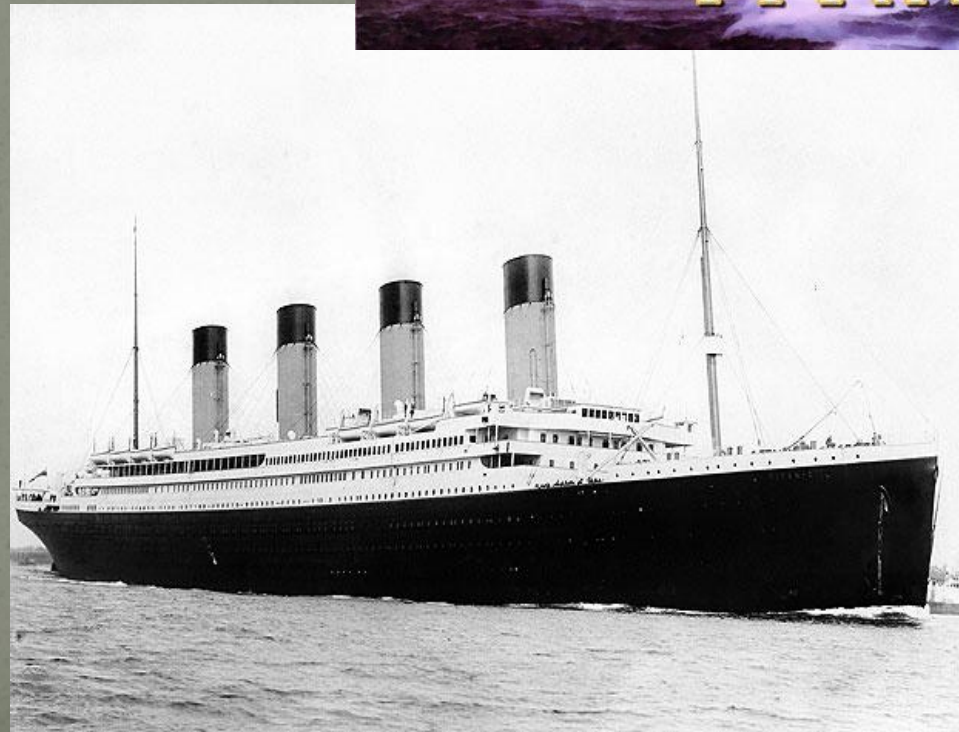

# Belfast Mural Tour – unique graffiti excursion.

# The city of Titanic..

The great ship  
was built by the  
Harland and Wolff  
shipyard in Belfast  
(Queen's Island).

# Thank you for watching!
