

A large, multi-story house with a dark roof and multiple gables is illuminated from within, showing warm interior lights. The house features a prominent balcony on the second floor and large windows. In the foreground, a swimming pool reflects the house and the sky. The pool is surrounded by a paved deck with lounge chairs. The sky is a mix of dark blue and grey clouds, suggesting dusk or dawn. The overall scene is serene and luxurious.

live in my dream house.
