#### Our working day

I wake up at 7:00 o'clock and immediately run to Maryam to wake her up.

# I love sleeping, but every morning Liza wakes me up at 7:10

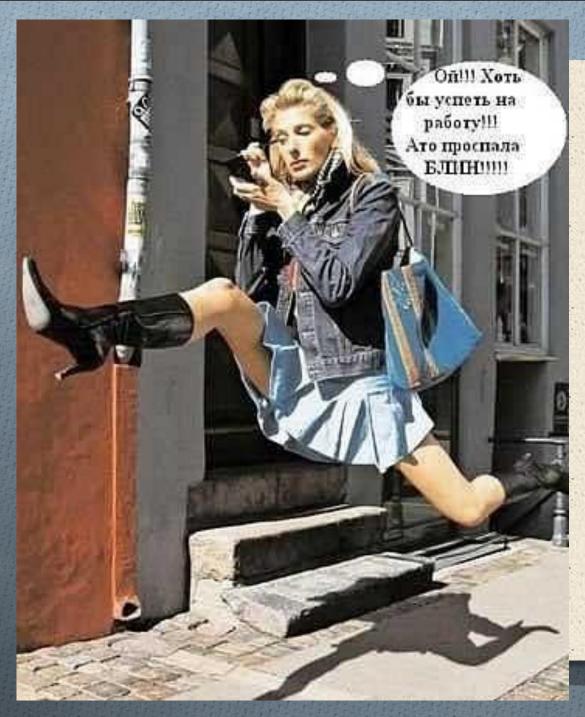

#### We go washing

After that we put on our clothes and quickly have a substantial breakfast...

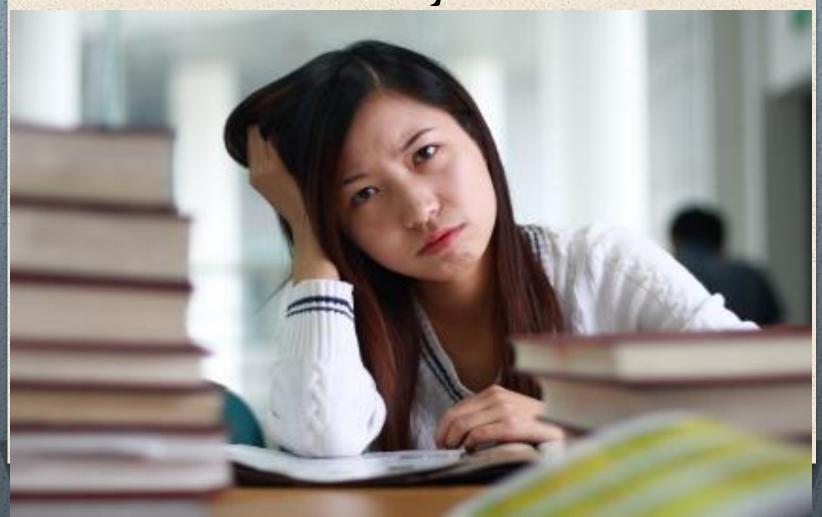

#### ...and run to the institute

(On the way, we always complain about our studies)

### We attend our seminars and lectures

# And can't wait till the end of the day

### After that we go to the hostel and lift the mood there

We come to our room and have our usual supper...

... we do our homework and go to bed at about 2:00 o'clock in the night

# That's all about our working day!
