#### Особенности правописания

В английском языке различают правильные и неправильные глаголы.

#### Правильные глаголы

удваивается конечная согласная в односложных и двусложных глаголах с краткой гласной:

skip – skipped

stop – stopped

hop – hopped

в глаголах, оканчивающихся на "y" с предшествующей гласной "y" меняется на "i" и добавляется окончание – ed:

try – tried

cry - cried

HO: play - played

#### Неправильные глаголы

Формы past indefinite неправильных глаголов следует запомнить:

become - became

get – got

know - knew
