Aquarium showroom

- Aqua Logo started its activity in 1995 by opening **an aquarium saloon in Moscow.**
- The Showroom represented decorated aquariums of various shapes, sizes and styles.
- From the first days of activity the shop has been offering aquarium design as well as maintaining service with guarantee, covering all the aquarium inhabitants.
- Today Aqua logo has several hundreds of regular customers, both enterprises and individuals.

Aquarium supermarkets

- **Aquatic supermarkets Aqua Logo** offer wide range of products for both amateur and professional aquarists, and a wide choice of ornamental and marine fish.
- Aqua Logo supermarket is a unique specialized aquarium shop with more then 600 species of aquatic organisms and terrarium animals,
- about 4000 accessories for aquariums, terrariums and ponds.

Wholesale company

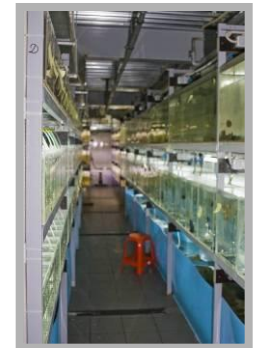

- Aqua Logo has been supplied aquariums and aquarium products to the Russian aquatic and pet shop market since 1997.
- Since 2000 Aqua Logo has been an official distributor for Tetra and AquaEl products on Russian market, then came Hagen, Project, Juwel, Aquarium Munster, Tunze, Sicce, Red Sea, Aqua Medika, Deltec and others.
- This allows **the wholesale company Aqua Logo** to provide the whole range of products for aquatics to wholesale and retail companies – more than 3500 items from leading world manufacturers.

Quarantine aquarium complex

- **Aqua Logo livestock quarantine and wholesale complex** – was established in 2001 to provide high quality ornamental and marine fish for internal and wholesale use.
- Today the complex occupy 1500 sq.m. with up to 80 tons of marine water, 120 tons fresh water, 150 sq.m. of reptile facilities.
- Thanks to technical capabilities of the most modern quarantine, unique experience and highest qualification of ichthyologists and herpetologists, the company is able to import, quarantine and offer the widest range of high quality aquarium fish, invertebrate, plants and terrarium animals.
- There are more than 600 species of plants and animals in stock in the Complex assortment.

Aqua logo Training Center

□ Aqua Logo Training Center

is the leading specialized aquaristic educational Center in Russia and CIS. It's activity is concentrated on the training of specialists in freshwater and sea aquarium and terrarium field.

□ Students.

More then 350 students (top managers, shop assistants, aquarium designers, fishkeepers e.t.c.) have graduated our programs during 2009-2010 season. In addition, more than 400 people participated in its educational and non-profit events.

□ Trainers.

Key national specialists in design, equipment and service of freshwater, sea aquarium and terrarium (both Aqua Logo employee and outsourced ones) are giving their experience to the students. The Training Center also has special curriculums to the salesman of aquarium and pet shops, proceeded by business trainers with large experience in the industry.

□ Special programs.

We have a huge experience in promo trainings, dedicated to products of particular producer, which are hold both in Moscow and regions.

□ Certification.

The students of the Training center have to pass an exam and receive the certificates at the end of the trainings.

Aqua Logo International Conference

- **Aqua Logo VIII international workshop conference "Cognizing the world through Aquarium"** will be held in Moscow, February 2011.
- Today this conference is the unique non-profit events for professionals, scientists and amateur aquarists in Russia, accessible for everyone.
- The statistics of the last Conference (February, 5-6, 2010)
 - About 200 participants
 - 29 read reports, 5 workshop reports
 - The articles are collected into the annual book "Aquaculture Issue", published together with EARAZA
