

The image shows the flag of the Russian Federation, which consists of three horizontal stripes of white, blue, and red. The flag is waving, creating a sense of movement. The text "THE RUSSIAN FEDERATION" is overlaid in the center in a bold, white, sans-serif font.

THE RUSSIAN FEDERATION

- **Russia is the largest country in the world. It occupies the Eastern part of Europe and the Northern part of Asia.**

The total area of the
country is 17 million sq
km

Российская Федерация

A satellite map of Russia, showing its vast landmass and surrounding waters. The map is oriented with North at the top. The Russian Federation is labeled in Cyrillic across the center. The map shows various geographical features, including the Arctic Ocean to the north, the Black Sea and Caspian Sea to the south, and the Pacific Ocean to the east. The land is depicted in shades of green and brown, indicating different vegetation and terrain types. The borders of Russia are outlined in yellow.

China

The background of the image is a close-up, slightly angled view of the United States flag. The blue canton with white stars is visible in the upper left corner, while the red and white stripes fill the rest of the frame. The flag appears to be waving, with soft folds and highlights.

The USA

The image shows the national flag of South Korea, known as the Taegeukgi. It features a white background with a large Taegeuk symbol in the center, which is a red and blue yin-yang design. Four black trigrams are positioned in the corners of the flag. The word "Korea" is written in a bold, yellow, sans-serif font across the center of the Taegeuk symbol.
