

The background of the slide is a dense, repeating pattern of various microscopic organisms, including bacteria, viruses, and fungi, rendered in shades of orange and yellow. The organisms are depicted in a stylized, hand-drawn manner. A thick, curved yellow and orange border separates the patterned area from the white bottom section.

Crazy ideas (and people)

Crazy ideas for a rock star for a 5 star hotel

- Katrin TV stand that the rock star can immediately throw the TV out of the window when he enters the room.
- Katrin napkins should be placed in the mini bar, because that is where a rock star goes first (of course after throwing the TV).
- No smoking sign to be taken away
- Katrin drugs
- Huge red Katrin mirror that the rock star can watch his own gorgeous profile
- Katrin Viagra = Kaviagra
- Katrin Less is more condoms, S, M, L size and of course three quality grades basic, classic, plus
