

Doctors kind  
heart and  
humane  
attitude to a  
patient  
usually help  
more than the  
most effective  
drug!

Qualities of a good doctor are following:

- Humanity
- Professionalism
- Responsibility
- Sociability
- Industry

# Some characteristics of humane doctor are:

- Polite
- Kind
- Delicate
- Moral
- Friendly
- Optimistic
- Responsible
- Mild
- Compassionate

# It is not easy to be a good doctor!

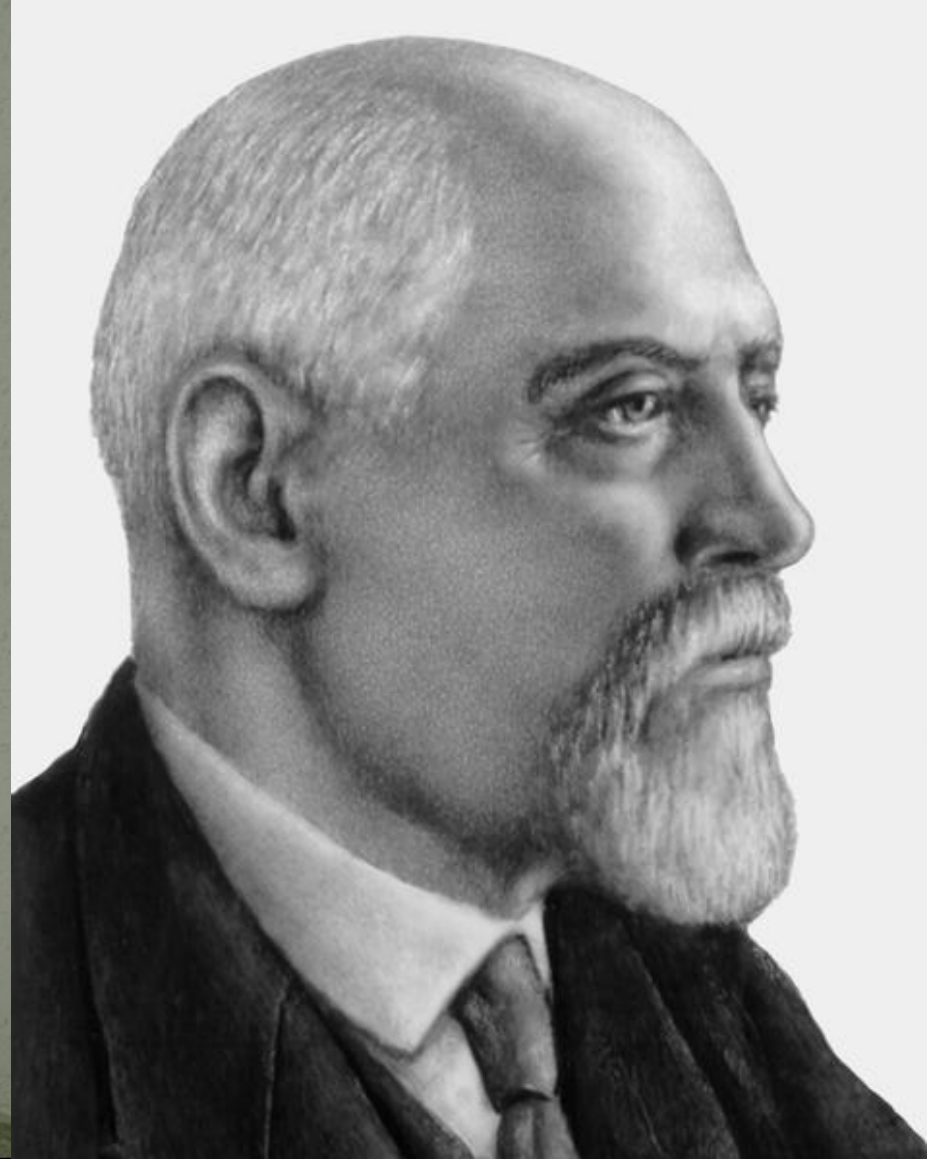

- A good doctor must have deep knowledge in surgery, therapy and other fields of medicine.
- He must love people and have a kind heart.
- They must give all their abilities and talent, all their knowledge and all their time to the protection of their health.

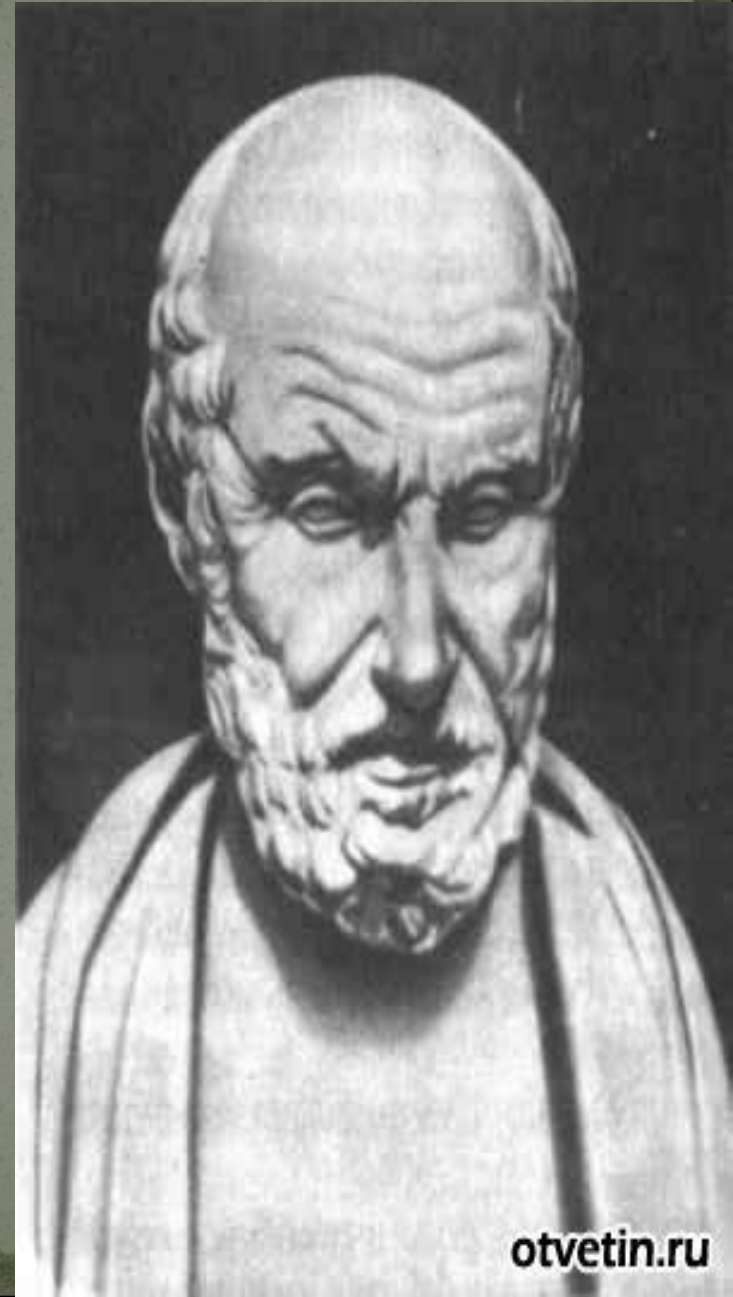

The prominent therapist prof. M.P. Konchalovsky considers that:

- “A person may be a poor writer, he may be a bad painter or actor but a man can not be a bad doctor.”

# Hippocratic Oath

- “I shall enter any house for the good of the patient. I shall not do my patient any harm” – this are the words from Hippocratic Oath.
- They must become the motto of doctors' life.

Humane doctor should follow 3 main principles.

1. A humane doctor should not to do any harm to his patient.
2. A humane doctor should love his patient.
3. A humane doctor should always tell the truth to his patient.

A human doctor should not to do  
any harm to his patient

A humane doctor should love his patient

A humane doctor should always tell  
the truth to his patient
