

The United States of Amerika

The USA
is the one
of the
most
modern
countries
in the
world.

The capital of the USA is
Washington.

English (American English) is the national language.

The country's population is about 319,151,000 people.

The US is a federal republic.

- And president of it is Barack Obama.

There are fifty states and district of Columbia.

The flag
of the
USA is
called
"Stars
and
Stripes".

The biggest cities of the USA are New York, San Francisco, Los Angeles, Chicago and other.

I love the USA and I really want to visit this country
