

# THE BEST JOB

---

Kosogorova A.

- There are more than 50 000 professions in the world.
- We have a wide choice of different professions . For example, a lawyer, a librarian, a bookkeeper, a doctor and etc.

- 
- The best profession for me is a teacher . I think it is very prestigious and noble job.

- 
- A teacher is an example for imitation for children . He teaches children of kindness, honesty, politeness .
  - A teacher impels children to activities and takes them the desire of knowledge.

- 
- A teacher is noble job . He must have many abilities because a teacher is a psychologist, an actor and children`s tutor.
  - The profession of a teacher is a vocation!
