

THE KINGS SPEECH

Analysis of speech

The protagonist of a film: the duke of York, later king George VI, since the childhood suffered stutter. Therefore he chose short words with a minimum of vowels.

- ▣ Its speech was uncertain and interrupting. As it was rather quick-tempered, it passed to shout and prevented me to speak to it.

- Герцог Йоркский:
- I am the great king, so I have to speak.
- Лайонелл Лок:
- You are the great king, so you have to speak.

Emotional reasonable behave

During speech, having started to falter, George VI has kept cool and has applied the exercises studied with doctor Lok. Thanks to it, it managed to continue performance.

Emotional unreasonable behavior

During conversation with doctor Lok the duke of York has flown into a rage, has shouted at Lajonella and hardly was hasn't lost chance of treatment.

Work was completed:
