

*Today Learning language is very
important!*

- *Storytelling is one of the good methods in learning language*

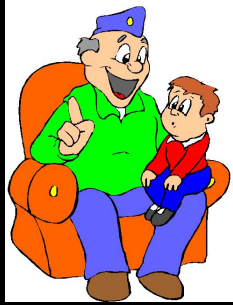

Storytelling is one of the earliest form of the human

*Once
upon a
time...*

Storytelling

- Storytelling is often part of our everyday conversations

All children
LOVE stories

Storytelling

- Help to express one's thought and feeling

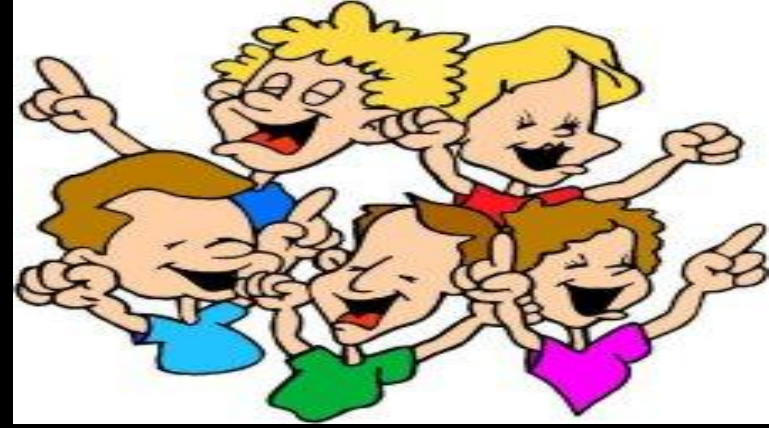

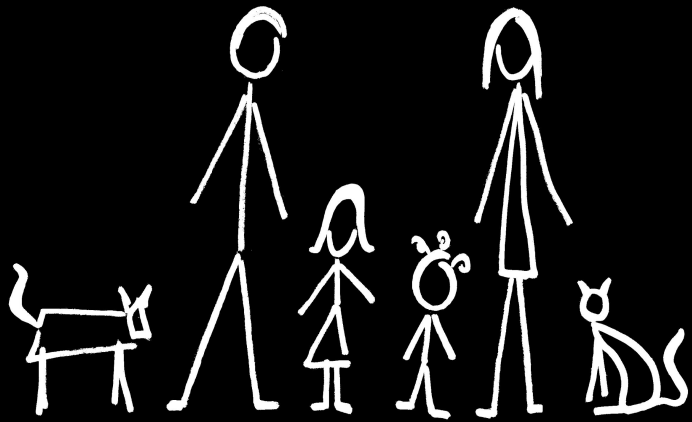

- Develop logical thinking

Develop their imagination

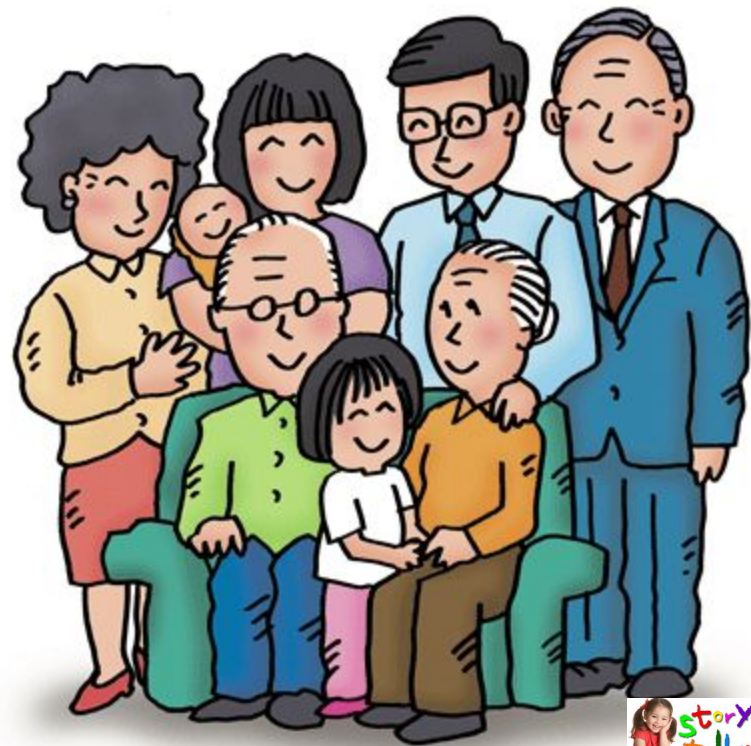

*Once upon a
time, there
was.....*

First time, Children listen to different and interesting stories from their parents.

I ♥ My Family
